Genesis Global Capital, LLC (“GGC”), Genesis Asia Pacific Pte. Ltd. (“GAP”), and Genesis Global Holdco, LLC (“GGH” and, collectively with GGC and GAP, the “Debtors” and these cases, collectively, the “Chapter 11 Cases”) hereby submit this Motion (the “Motion”) for entry of an order, substantially in the form attached hereto as **Exhibit A** (the “Proposed Order”), pursuant to section 105(a) of title 11 of the United States Code (the “Bankruptcy Code”) and rule 9019 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), approving the settlement agreement between the Debtors, Gemini Trust Company, LLC (“Gemini”), the Ad Hoc Group of Genesis Lenders (the “Ad Hoc Group”), and the Official Committee of Unsecured Creditors for the Chapter 11 Cases (the “Committee” and, together with the Debtors, Gemini, and the Ad Hoc Group, the “Parties”) attached hereto as **Exhibit B** (as may be amended by the Parties, the “Settlement Agreement”).¹ In support of this Motion, the Debtors submit the *Declaration of Thomas Conheeny in Support of Debtors’ Motion for Entry of an Order Approving a Settlement Agreement Among the Debtors, Gemini Trust Company, LLC, the Ad Hoc Group of Genesis Lenders, and the Official Committee of Unsecured Creditors* (the “Conheeny Declaration”), filed contemporaneously herewith as **Exhibit C**, and the *Declaration of Thomas Q. Lynch in Support of Debtors’ Motion for Entry of an Order Approving a Settlement Agreement Among the Debtors, Gemini Trust Company, LLC, the Ad Hoc Group of Genesis Lenders, and the Official Committee of Unsecured Creditors* (the “Lynch Declaration”), filed contemporaneously herewith as **Exhibit D**, and respectfully state as follows:

PRELIMINARY STATEMENT

1. After nearly a year and a half of substantial litigation and settlement discussions, the Debtors come to this Court seeking approval of a settlement agreement by and among the

¹ Capitalized terms not defined herein shall have the meanings ascribed to them in the Settlement Agreement.

Debtors, Gemini, the Ad Hoc Group, and the Committee that will resolve all issues among the Parties on the terms set forth therein, including, without limitation, (a) the adversary proceeding commenced by Gemini in this Court on October 27, 2023 against the Debtors, and the counterclaims asserted by the Debtors therein, captioned *Gemini Trust Company, LLC, for itself and as agent on behalf of the Gemini Lenders v. Genesis Global Capital, LLC, Genesis Global Holdco, LLC, and Genesis Asia Pacific Pte. Ltd.*, Adv. Pro. No. 23-01192 (SHL) (the “GBTC Action”), (b) the adversary proceeding commenced by GGC in this Court on November 21, 2023, captioned *Genesis Global Capital, LLC v. Gemini Trust Company, LLC, individually and as agent on behalf of Earn Users, and Earn Users 1-232,824*, Adv. Pro. No. 23-01203 (SHL) (the “Preference Action” and, together with the GBTC Action, the “Gemini Adversary Proceedings”), (c) the proof of claim numbered 356 filed by Gemini in these Chapter 11 Cases on behalf of the Gemini Lenders (the “Gemini Master Claim”), and (d) the proof of claim numbered 406 filed by Gemini in these Chapter 11 Cases against GGC (the “Gemini Proprietary Claim” and, together with the Gemini Master Claim, the “Proofs of Claim”). Put plainly, the Settlement Agreement is truly a monumental achievement that resolves all Gemini-related issues in these Chapter 11 Cases and paves the way to near-term recoveries of approximately 97% on an in-kind basis to the Gemini Lenders.

2. As more fully described in the Settlement Agreement,² to resolve the Gemini Adversary Proceedings and the Proofs of Claim, the Settlement Agreement provides, among other things, for near-full near-term payment, on an in-kind “coin-for-coin” basis, of the Gemini Lender Claims through a combination of (a) cash of digital assets holding a cumulative value equivalent

² Any summary of the Settlement Agreement contained in this Motion is solely for illustrative purposes and is qualified in its entirety by the actual terms and conditions of the Settlement Agreement. To the extent that there is any conflict between any summary contained herein and the actual terms and conditions of the Settlement Agreement, the actual terms and conditions of the Settlement Agreement shall control.

to \$50,000,000 contributed directly by Gemini, (b) value up to \$50,000,000 (the “DCG Amount”) that may be contributed directly by Digital Currency Group, Inc. (“DCG”) or will be passed through to the Gemini Lenders by the Debtors as a percentage of any amounts ultimately recovered by the Debtors from DCG, whether through litigation, settlement or otherwise, (c) a distribution from the Debtors’ estates of USD (currently estimated at approximately \$114,000,000 in value), (d) the proceeds of the pledged Gemini GBTC Shares, (e) a distribution from the Debtors’ estates of certain agreed Alt-Coins that are included in the Gemini Master Claim (currently estimated at approximately \$83,000,000 in value), and (f) release by the Debtors of the Gemini Earn Operations Assets (currently estimated at approximately \$19,000,000 in value). Significantly, the limited distribution from the Debtors’ estates with respect to (c) and (e) consists solely of Alt-Coins that the Debtors already own and USD, which will (subject to the potential pass-through described in (b)) facilitate the Debtors’ satisfaction of obligations to Gemini and all Gemini Lenders, and will facilitate the Debtors’ efforts to maximize in-kind recoveries for all of the Debtors’ creditors under the Plan, including by preserving the Debtors’ BTC and ETH for future distributions to other constituents under the Plan.

3. As part of the Settlement Agreement, Gemini would also (a) release any asserted lien, security interest or constructive trust claims with respect to the Additional GBTC Shares, (b) assign to the Debtors all claims and causes of action asserted by Gemini against DCG, including the claims asserted in its proceeding against DCG in the United States District Court for the Southern District of New York, (c) reduce the Gemini Proprietary Claim (originally asserted for an amount exceeding \$20,000,000, plus certain contingent and unliquidated amounts) to a fixed amount equal to \$7,500,000; *provided, however*, that Gemini may also receive certain amounts under Section 2.7(b) of the Settlement Agreement, and (d) indemnify the Debtors from any claims

and causes of action asserted by the Gemini Lenders arising from any actions taken in accordance with the Settlement Agreement after the completion of the Genesis Distribution.

4. The Settlement Agreement is the product of extensive negotiations among the Parties. Among other benefits, the Settlement Agreement will resolve the Gemini Adversary Proceedings, as well as fix and allow the Proofs of Claim filed by Gemini in these Chapter 11 Cases, thereby eliminating the risks, expenses, and uncertainty associated with protracted litigation with Gemini. Most importantly, the Settlement Agreement would pave the way to near-term distributions to Gemini Lenders, one of the largest constituencies in these cases, and avoid the necessity of a significant reserve pending further litigation of the Gemini Adversary Proceedings, thus enhancing near-term creditor recoveries for non-Gemini Lender creditors as well. Entry into the Settlement Agreement is an exercise of the Debtors' sound business judgment and has been approved by the Special Committee of the Board of Directors of Holdco (the "Special Committee"), which, following consultation with the Debtors' legal and financial advisors, has concluded that the Settlement Agreement is in the best interests of the Debtors' estates and their creditors.

5. Accordingly, and for all of the reasons set forth herein, the Debtors submit that entry into the Settlement Agreement is fair and equitable, reasonable, and in the best interests of the Debtors' estates. The Debtors respectfully request that the Court grant the relief requested in this Motion, approve the Settlement Agreement, and enter the Proposed Order.

JURISDICTION AND VENUE

6. The United States Bankruptcy Court for the Southern District of New York (the "Bankruptcy Court" or the "Court") has jurisdiction to consider this matter pursuant to 28 U.S.C. §§ 157 and 1334 and the *Amended Standing Order of Reference* from the United States District Court for the Southern District of New York dated January 31, 2012 (Preska, C.J.). Venue is

proper pursuant to 28 U.S.C. §§ 1408 and 1409. This matter is a core proceeding pursuant to 28 U.S.C. § 157(b). The statutory predicates for the relief requested herein are Section 105 of the Bankruptcy Code and Bankruptcy Rule 9019.

BACKGROUND

A. The Chapter 11 Cases

7. On January 19, 2023, each of the Debtors filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code (the date of such filing, the “Petition Date”). The Debtors are operating their businesses as debtors-in-possession under Sections 1107(a) and 1108 of the Bankruptcy Code. The Debtors’ bankruptcy proceedings have been consolidated for procedural purposes only and are jointly administered pursuant to Bankruptcy Rule 1015(b). *See Joint Administration Order* (ECF No. 37). No trustee or examiner has been appointed in the Chapter 11 Cases. The Committee was appointed by the United States Trustee for Region 2 on February 3, 2023, pursuant to Section 1102(a) of the Bankruptcy Code. *See Notice of Appointment of Official Committee of Unsecured Creditors* (ECF No. 55).

B. History of Dealings Between the Parties

8. Prior to the Petition Date, GGC entered into certain Master Digital Loan Agreements (“MLAs”) with Gemini and certain users of the Gemini platform (each such user, a “Gemini Lender” and, collectively, the “Gemini Lenders”). Pursuant to the MLAs, the Gemini Lenders agreed to lend certain digital assets to GGC, with Gemini acting as custodian and agent for the Gemini Lenders in certain respects (such agreements, the “Gemini Earn Agreements”) and the transactional arrangements as set forth in the Gemini Earn Agreements, the “Gemini Earn Program”).

9. On August 15, 2022, GGC entered into a security agreement (the “Security Agreement”) with Gemini, as agent for the Gemini Lenders, pursuant to which GGC pledged

approximately 30,000,000 shares of GBTC to secure certain of GGC's obligations under the Gemini Earn Program (such shares, the "Gemini GBTC Shares").

10. On October 13, 2022, Gemini provided GGC thirty days' notice of its intention to terminate the Gemini Earn Program.

11. After further negotiations between GGC and Gemini, on November 7, 2022, GGC and Gemini entered into an amendment to the Security Agreement (the "First Amendment"), which obligated GGC to maintain its pledge under the Security Agreement until GGC repaid its obligations under the Gemini Earn Program in full.

12. Following the First Amendment, Gemini requested that GGC pledge additional collateral to further secure certain of GGC's obligations under the Gemini Earn Program. On November 10, 2022, GGC, Gemini, and DCG entered into a second amendment to the Security Agreement (the "Second Amendment"), pursuant to which DCG agreed to transfer to GGC approximately 31,000,000 shares of GBTC (the "Additional GBTC Shares"), and GGC in turn agreed to pledge such shares to Gemini for the benefit of Gemini Lenders to secure certain of GGC's obligations under the Gemini Earn Program.

13. DCG transferred its entire ownership interest in the Additional GBTC Shares to GGC in November 2022. GGC did not, however, subsequently transfer the Additional GBTC Shares to Gemini but instead continued to hold the Additional GBTC Shares. *See* Adversary Complaint ¶ 53 (ECF No. 1, Adv. Pro. No. 23-01192); Answer, Affirmative Defenses, and Counterclaims of Genesis Global Capital, LLC, to the Complaint at 26 (ECF No. 10, Adv. Pro. No. 23-01192). Gemini asserted, among other things, a security interest in the Additional GBTC Shares on behalf of the Gemini Lenders.

14. On November 16, 2022, GGC announced that it was suspending redemptions by the Gemini Lenders from the Gemini Earn Program and Gemini delivered a notice to GGC stating that Gemini foreclosed on the Gemini GBTC Shares through a private sale for total proceeds of \$284,333,194.40. *See* Adversary Complaint ¶ 43 (ECF No. 1, Adv. Pro. No. 23-01192).

C. The Proofs of Claim and the Gemini Adversary Proceedings

15. On May 22, 2023, Gemini filed (a) the Gemini Master Claim against GGC on behalf of the Gemini Lenders, which asserts, among other things, claims for all of the Master Claim Digital Assets, and (b) the Gemini Proprietary Claim, which asserts, among other things, claims for agent fees, late fees and claims related to GGC's obligation to indemnify Gemini and its affiliates, officers, directors, employees, agents, consultants or other representatives for certain liabilities in accordance with the terms of the Gemini Earn Agreements (in an amount exceeding \$20,000,000 plus additional contingent and unliquidated amounts).

16. On October 27, 2023, Gemini filed the GBTC Action against GGC in the Bankruptcy Court through the Adversary Complaint (ECF No. 1, Adv. Pro. No. 23-01192 (SHL)), seeking declaratory judgments that (a) Gemini properly foreclosed on the Gemini GBTC Shares on November 16, 2022, (b) the Additional GBTC Shares are not property of any of the Debtors' estates, and (c) Gemini has a security interest in, or constructive trust over, the Additional GBTC Shares.

17. On November 21, 2023, in the GBTC Action, GGC filed (a) a motion to dismiss the claims related to the Additional GBTC Shares (ECF No. 9) and (b) an answer to the claims related to the Gemini GBTC Shares, denying the allegations in support of Gemini's purported foreclosure and asserting a counterclaim that the First Amendment constituted an avoidable constructive fraudulent conveyance (ECF No. 10).

18. On the same day, GGC filed the Preference Action against Gemini and certain Gemini Lenders in the Bankruptcy Court through the Adversary Complaint (ECF No. 1, Adv. Pro. No. 23-01203 (SHL)).

19. On December 18, 2023, Gemini filed a motion to dismiss certain of GGC's counterclaims related to the Additional GBTC Shares in the GBTC Action (ECF No. 16). And on January 5, 2024, Gemini filed a motion to dismiss certain of GGC's counterclaims related to the Gemini GBTC Shares in the GBTC Action (ECF No. 24).

20. On February 7, 2024, the Bankruptcy Court rendered an opinion in favor of the Debtors with respect to the Debtors' motion to dismiss the claims asserted in the GBTC Action related to the Additional GBTC Shares, wherein the Bankruptcy Court held that Gemini and the Gemini Lenders did not have a valid and perfected lien on, a security interest in, or a constructive trust over the Additional GBTC Shares (ECF No. 35). The Bankruptcy Court's opinion also dismissed all claims against GGH and GAP without prejudice. An order implementing the opinion and granting the Debtors' motion to dismiss was entered on February 22, 2024 (ECF No. 44).

21. On February 28, 2024, the parties announced in open court that they had reached an agreement in principle. *In re Genesis Global Holdco, LLC*, Case No. 23-10063, Feb. 28, 2024 Hr'g Tr. at 140:15-141:3. In light of the agreement in principle, the Debtors and Gemini filed a stipulation and proposed order adjourning all pending deadlines *sine die*, in order to permit the parties to document and obtain approval of the Settlement Agreement (ECF No. 46). An order implementing the stipulation was entered on March 15, 2024 (ECF No. 48).

THE SETTLEMENT AGREEMENT

A. The Settlement Negotiations

22. Gemini and the Debtors were engaged in discussions, through both their principals and advisors, regarding various disputes relating to the Gemini GBTC Shares and the Debtors' liabilities to Gemini and the Gemini Lenders for more than fifteen months. Conheeney Decl. ¶ 5.

23. The Debtors' efforts to reach a resolution consisted of multiple rounds of negotiations between the key stakeholders, both before the Petition Date and at various points during the pendency of the Chapter 11 Cases. *Id.* ¶ 6. Most recently, the Debtors and Gemini engaged in numerous discussions, and circulated various term sheets and proposals, in July, September and October 2023. *Id.*

24. While all key parties with an economic stake had been involved in and kept apprised of settlement discussions, beginning in December 2023, the Ad Hoc Group became directly involved in the negotiations, and began discussing various proposals with Gemini to resolve the outstanding disputes among the Debtors and Gemini. *Id.* ¶ 11. Since that time, the Ad Hoc Group and Gemini have continued to have direct discussions, keeping the Debtors and Committee updated, and obtaining their input as part of the process. *Id.* ¶¶ 12, 14. While certain key economic terms were negotiated between the Ad Hoc Group and Gemini, the Debtors and the Committee also participated in the negotiations and obtained important concessions from Gemini and the Ad Hoc Group. *Id.* ¶ 14. These efforts led to an agreement in principle among the Debtors, Gemini, the Committee and Ad Hoc Group on February 27, 2024. *Id.*

25. The Special Committee approved the proposed agreement in principle on February 28, 2024. *Id.* ¶ 16. On the same day, the Parties executed the "Term Sheet" and announced the key terms of the agreement in principle at a hearing before this Court. *Id.* Since then, the Parties

and their advisors have worked to convert the Term Sheet into the fulsome terms contained in the Settlement Agreement. *Id.*

26. The Debtors, with the consent of the Ad Hoc Group, the Committee, and Gemini, have now filed this Motion, seeking this Court's approval of the Settlement Agreement.

B. The Principal Terms of the Settlement Agreement

27. The principal terms and conditions of the Settlement Agreement are generally as follows:

- (a) **Gemini GBTC Shares.** The Gemini GBTC Shares shall be deemed to have a value equal to the product of: (i) the Effective Date Value of BTC, times (b) 30,905,782 (the number of Gemini GBTC Shares as of the TS Date), times (c) the TS Date (at 11:59PM ET) "bitcoin per share" value provided in the "Key Fund Information" section of the GBTC website (etfs.grayscale.com/gbtc).
- (b) **Gemini Contribution.** No later than five (5) Business Days following the Settlement Effective Date, Gemini shall deposit, for the benefit of the Gemini Lenders, the Gemini Contribution into a segregated account identified on Gemini's records as account number 34162511 and with account name "Gemini Agent Redeem FBO Earn" (the "Redemption Account") with the Gemini Distribution Agent, which Gemini Contribution shall be distributed to the Gemini Lenders on account of the Gemini Master Claim concurrently with the initial distribution of the Gemini Distribution Assets pursuant to the provisions of Section 2.5(b) of the Settlement Agreement.
- (c) **DCG Amount.** Following the Settlement Effective Date, and solely in the event that DCG does not pay or otherwise transfer Fifty Million Dollars (\$50,000,000.00) (the "DCG Amount") in the aggregate to Gemini following the TS Date but prior

to the Application Date, the Debtors or their successors in interest, on a joint and several basis, shall transfer to the Gemini Distribution Agent, within five (5) Business Days of receipt, six and one-half percent (6.5%) of each USD and of each asset, in each case, that constitutes a DCG Recovery, up to an amount equal, in the aggregate, to the DCG Amount Cap. Solely for purposes of calculating the DCG Amount Cap and the six and one-half percent (6.5%) portion of any DCG Recovery under Section 2.2 of the Settlement Agreement, the dollar value of any DCG Recovery in a form other than USD shall be equal to: (i) for any DCG Recovery in the form of Digital Assets, the value of such Digital Assets as of the instant of receipt by the Gemini Distribution Agent of such Digital Asset based on the applicable price as provided for in Section 11.11(b) of the Settlement Agreement; (ii) for any DCG Recovery in the form of indebtedness, the face amount of such indebtedness (which face amount, if denominated in the form of Digital Assets, shall be valued (but, for the avoidance of doubt, not transferred) in USD as of the instant of receipt by the Gemini Distribution Agent of such indebtedness); (iii) for any DCG Recovery in the form of securities that have an existing public market, the average closing price for such securities for the ten (10) trading days prior to the day of receipt of such securities by the Gemini Distribution Agent; and (iv) for any DCG Recovery in the form of securities that do not have an existing public market, or any other form of consideration, the fair market value of such securities or other form of consideration as mutually agreed upon in good faith by the Parties and, if the Parties fail to agree on such fair market value within ten (10) calendar days of receipt thereof by the Gemini Distribution Agent, the fair market value as

of the date of delivery to the Gemini Distribution Agent, as determined by the Bankruptcy Court. Any amounts turned over to the Gemini Distribution Agent pursuant to Section 2.2 of the Settlement Agreement shall be used by the Gemini Distribution Agent to deliver the Completion Digital Assets as provided in Section 2.5(c) of the Settlement Agreement.

- (d) **Gemini Earn Operations Assets.** No later than five (5) Business Days following the Settlement Effective Date, Gemini shall transfer the Gemini Earn Operations Assets to the Redemption Account to be distributed to the Gemini Lenders on account of the Gemini Master Claim concurrently with the initial distribution of the Gemini Distribution Assets pursuant to the provisions of Section 2.5(b) of the Settlement Agreement.
- (e) **Genesis Distribution.** No later than the five (5) Business Days following the Settlement Effective Date, GGC shall deliver to the Gemini Distribution Agent, for distribution to the Gemini Lenders, (i) the Genesis Alt-Coin Distribution and (ii) an amount of USD equal to (A) the MCDA Value minus (B) the sum of (1) the Gemini Contribution, (2) the DCG Amount, (3) the Gemini GBTC Value, (4) the Effective Date Value of the Genesis Alt-Coin Distribution to the extent made in accordance with the purposes of Section 2.4(a)(i) of the Settlement Agreement, and (5) the Effective Date Value of the Gemini Earn Operations Assets.
- (f) **Digital Asset Rebalance.** The Gemini Distribution Agent, in its sole and absolute discretion and acting on behalf of the Debtors, is authorized to monetize or otherwise convert the Gemini Contribution, the Gemini GBTC Shares, the Genesis Distribution, the Gemini Reserved Coins, the Gemini Earn Operations Assets, and

the DCG Receipts, if any, for the purpose of satisfying through in-kind delivery to the greatest extent possible the Gemini Master Claim (the monetization described in this sentence, the “Digital Asset Rebalance”).

- (g) **Distributions on Account of Gemini Master Claim.** Following the Settlement Effective Date and the consummation of the Genesis Distribution, the Gemini Distribution Agent shall distribute, from time to time promptly upon its receipt thereof, but in no event later than fifteen (15) Business Days thereafter, in accordance with the provisions of the Settlement Agreement, the Gemini Distribution Assets on behalf of the Debtors to the Gemini Lenders in satisfaction of their claims, reducing the Gemini Master Claim on a coin-for-coin basis with respect to each Digital Asset so delivered to the Gemini Lenders; provided, however, that the Gemini Distribution Assets shall not include the Completion Digital Assets, which assets shall be distributed in accordance with the provisions of Section 2.5(c) of the Settlement Agreement. The Gemini Distribution Agent shall deliver the Completion Digital Assets on behalf of the Debtors to the Gemini Lenders in its sole and absolute discretion; provided, however, that, if the Gemini Distribution Agent receives DCG Receipts that, in the aggregate, are in value (for such other assets, as determined in accordance with the provisions of Section 2.2 of the Settlement Agreement) equal to or greater than Ten Million Dollars (\$10,000,000.00) or a multiple of Ten Million Dollars (\$10,000,000.00), the Gemini Distribution Agent shall distribute to the Gemini Lenders in satisfaction of their claims, within thirty (30) days of such receipt, a portion of the Completion Digital Assets equal to the quotient of (y) Ten Million Dollars (\$10,000,000.00) or

the applicable multiple thereof divided by (z) Fifty Million Dollars (\$50,000,000.00). Following the distribution of the Gemini Distribution Assets in accordance with the provisions of Section 2.5(b) of the Settlement Agreement and of the Completion Digital Assets in accordance with the immediately preceding sentence, neither Gemini nor the Gemini Distribution Agent shall have any further obligations to the Gemini Lenders with respect to the Gemini Master Claim.

- (h) **Assignment of Litigation Claims and Proceeds.** From and after the Application Date, Gemini shall not settle any claims or Causes of Action against DCG without the prior written consent of the Debtors, the AHG and the UCC, which consent shall not be unreasonably withheld, conditioned, or delayed. On the Settlement Effective Date and provided that DCG has not, as of such date, consummated a settlement of claims that Gemini or the Debtors maintain against DCG, Gemini shall irrevocably transfer, assign, grant and convey to GGC, or its successor in interest, for the benefit of GGC's creditors, all of Gemini's right, title and interest in and to any and all claims and Causes of Action that Gemini has asserted, or that could have been asserted, in the DCG Action, including any rights and defenses relating to such claims and Causes of Action, the facts underlying the DCG Action and any claims related to the DCG Action for indemnification arising from or relating to the Gemini Contribution or with respect to potential joint tortfeasor obligations.

- (i) **Gemini Proprietary Claim.** On the Plan Effective Date, the Gemini Proprietary Claim shall be Allowed, as defined in the Plan, as a general unsecured claim against GGC in the amount of Seven Million Five Hundred Thousand Dollars

(\$7,500,000.00) (and for the purpose of the Plan be classified as a Class 3 general unsecured claim); provided, however, that, in no event shall the Gemini Proprietary Claim be afforded any lesser treatment under the Plan, any other chapter 11 plan that may be proposed or effectuated in the Chapter 11 Cases, or in a liquidation under chapter 7 of the Bankruptcy Code than any other similarly situated general unsecured claim. Gemini shall receive distributions on the Gemini Proprietary Claim from the Debtors or the Wind-Down Debtors (as appropriate) pursuant to the Plan, including the Distribution Principles, as defined in the Plan. In the event that the aggregate amount of DCG Recoveries exceeds \$769,230,769.00 (such amounts, “Incremental DCG Recoveries”), the Debtors or their successors in interest, on a joint and several basis, shall transfer to Gemini, within five (5) Business Days of receipt by the Debtors, one and one-half percent (1.5%) of each such Incremental DCG Recovery up to an amount equal, in the aggregate, to Ten Million Dollars (\$10,000,000.00). For purposes of Section 2.7(b) of the Settlement Agreement, the dollar value of any DCG Recovery or Incremental DCG Recovery in a form other than USD shall be determined in a manner consistent with the second sentence of Section 2.2 of the Settlement Agreement. Gemini shall waive all other claims it holds in its individual capacity against the Debtors, including, without limitation, any claims for substantial contribution or other fees and expenses incurred by Gemini, as agent or otherwise, in connection with the Chapter 11 Cases, the Gemini Master Claim, and the Gemini Proprietary Claim.

- (j) **Gemini Adversary Proceedings.** On the Settlement Effective Date, the Gemini Adversary Proceedings shall be dismissed, with prejudice. Within seven (7) days

of the Settlement Effective Date, the Parties shall take any and all action reasonably necessary to effectuate such dismissal and the waiver of their respective claims asserted in the Gemini Adversary Proceedings, including, without limitation, filing notices of dismissal with the Bankruptcy Court. For the avoidance of doubt, on the Settlement Effective Date, the Debtors shall be deemed to have released and waived all claims and Causes of Action that may be asserted against any Gemini Lenders (including with respect to Gemini Lenders with zero or *de minimis* balances as of the Petition Date, but with non-zero or non-*de minimis* balances as of the applicable preference period) pursuant to section 547 of the Bankruptcy Code by the Debtors and the Debtors' Estates, including, without limitation, any successors in interest.

(k) **Gemini Master Claim.** Within one (1) Business Day of the Application Date, the Debtors shall seek the adjournment of the presentment date of the Master Claim Stip to a date and time contemporaneous with the Bankruptcy Court's determination of the Application. Upon approval of the Master Claim Stip by a Final Order of the Bankruptcy Court, the Gemini Master Claim shall be Allowed, as defined in the Plan, as a general unsecured claim against GGC for the Master Claim Digital Assets (and for the purpose of the Plan be classified as a Class 7 general unsecured claim) with distributions on account of the Gemini Master Claim strictly limited to those provided for in the Settlement Agreement.

(l) **Authorization.** The Approval Order shall (i) include a determination by the Bankruptcy Court that Gemini has the authority to bind the Gemini Lenders to the Settlement Agreement and its terms pursuant to the terms of the Gemini Earn Agreements; (ii) confirm that the Gemini Lenders are bound by the terms of the

Settlement Agreement; and (iii) provide authority for Gemini to effectuate, as agent for the Gemini Lenders and as the Gemini Distribution Agent: (A) the monetization of the Gemini GBTC Shares (to the extent not previously authorized pursuant to the Trust Asset Order), (B) the Digital Asset Rebalance, and (C) the distributions and other transactions contemplated by the Settlement Agreement.

(m) **Mutual Releases.** As set forth in greater detail in the Settlement Agreement, the Settlement Agreement provides for the mutual release of all claims of the Debtor Releasers, the AHG, the SteerCo Members, and the Committee against the Gemini Releasees, on the one hand, and of the Gemini Releasers against the Debtor Releasees, the AHG, the SteerCo Members, and the Committee, on the other hand, except as set forth therein, including for claims to enforce the Parties' obligations under the Settlement Agreement.

(n) **Indemnification.** As set forth in greater detail in the Settlement Agreement, the Settlement Agreement provides for the indemnification by Gemini of the Debtors, their successors in interest and their respective Related Parties from any claims and causes of action asserted by the Gemini Lenders arising from any actions taken in accordance with the Settlement Agreement after completion of the Genesis Distribution to the extent such actions were taken after the date of entry of the Approval Order.

RELIEF REQUESTED

28. The Debtors have determined, in consultation with their advisors, that the Settlement Agreement is fair and equitable, reasonable, and in the best interests of the Debtors' estates. By this Motion, the Debtors seek entry of an order substantially in the form attached hereto

as **Exhibit A**, approving the Settlement Agreement pursuant to section 105(a) of the Bankruptcy Code and rule 9019 of the Bankruptcy Rules.

THE SETTLEMENT AGREEMENT SHOULD BE APPROVED

A. Basis for Relief

29. Bankruptcy Rule 9019 permits a debtor-in-possession to enter into compromises and settlements with the approval of the Bankruptcy Court. *See* Bankruptcy Rule 9019(a). In order to approve a compromise or a settlement under Bankruptcy Rule 9019(a), the bankruptcy court must find that the compromise or settlement is “in the best interests of the estate.” *In re Purofied Down Prods. Corp.*, 150 B.R. 519, 523 (S.D.N.Y. 1993) (quotations and citation omitted); *see also* Stipulation and Agreed Order ¶ 1, *In re Terrestar Corp.*, No. 11-10612 (SHL) (Bankr. S.D.N.Y. Aug. 24, 2012) (ECF No. 593) (approving a settlement providing for pre-confirmation distribution under Bankruptcy Rule 9019). In making this finding, the bankruptcy court should form an informed and independent judgment as to whether a proposed compromise is in the best interests of the debtor’s estate. *Id.* The settlement need not result in the best possible outcome for the debtor but must only not “fall below the lowest point in the range of reasonableness.” *In re Drexel Burnham Lambert Grp., Inc.*, 134 B.R. 499, 505 (Bankr. S.D.N.Y. 1991) (quotations and citation omitted).

30. In determining whether a compromise or settlement should be approved under Bankruptcy Rule 9019(a), the bankruptcy court should not substitute its own judgment for that of the debtor. *See In re Neshaminy Off. Bldg. Assocs.*, 62 B.R. 798, 803 (E.D. Pa. 1986). In fact, the bankruptcy court may consider the opinions of the debtor-in-possession or the trustee that the settlement is fair and reasonable. *See Nellis v. Shugrue*, 165 B.R. 115, 122–23 (S.D.N.Y. 1994). Furthermore, the bankruptcy court need not conduct a “mini-trial” to decide the numerous issues of law and fact raised by the settlement, but rather must “canvass the issues and see whether the

settlement ‘fall[s] below the lowest point in the range of reasonableness.’” *Purofied Down Prods.*, 150 B.R. at 522 (citations omitted); *see also In re W.T. Grant Co.*, 699 F.2d 599, 608 (2d Cir. 1983); *In re Frost Bros., Inc.*, No. 91 Civ. 5244 (PNL), 1992 U.S. Dist. LEXIS 18301, at *16 (S.D.N.Y. Nov. 30, 1992); Memorandum Decision, *In re Genesis Global Holdco LLC*, Case No. 23-10063 (SHL) (Bankr. S.D.N.Y, October 6, 2023), ECF No. 781 (the “FTX Settlement Order”). This requirement “reflect[s] the considered judgment that little would be saved by the settlement process if bankruptcy courts could approve settlements only after an exhaustive investigation and determination of the underlying claims,” *Purofied Down Prods.*, 150 B.R. at 522–23, and the fact that settlements are “favored and, in fact, encouraged” in bankruptcy. *Nellis*, 165 B.R. at 123 (citation omitted).

31. In the Second Circuit, bankruptcy courts apply the following factors in determining whether a settlement is fair and equitable:

- (a) the balance between the litigation’s possibility of success and the settlement’s future benefits;
- (b) the likelihood of complex and protracted litigation, “with its attendant expense, inconvenience, and delay,” including the difficulty in collecting on the judgment;
- (c) the “paramount interests of the creditors,” including each affected class’s relative benefits “and the degree to which creditors either do not object to or affirmatively support the proposed settlement”;
- (d) whether other parties in interest support the settlement;
- (e) the “competency and experience of counsel” who support the settlement;

- (f) the “nature and breadth of releases to be obtained by officers and directors”;
and
- (g) the “extent to which the settlement is the product of arm’s length bargaining.”

Motorola, Inc. v. Official Comm. of Unsecured Creditors (In re Iridium Operating LLC), 478 F.3d 452, 462 (2d Cir. 2007).

32. Where most or all of the factors are satisfied, a settlement should be approved. *See In re Ben-Artzi*, No. 21-10470 (MG), 2021 WL 5871718 (Bankr. S.D.N.Y. Dec. 10, 2021) (approving a settlement where most but not all of the Iridium factors were satisfied). In particular, the business judgment of the debtor in recommending the settlement should be factored into the court’s analysis. *In re MF Global Inc.*, No. 11-2790 (MG) SIPA, 2012 WL 3242533, at *5 (Bankr. S.D.N.Y. Aug. 10, 2012) (citing *JP Morgan Chase Bank, N.A. v. Charter Commc’ns Operating LLC (In re Charter Commc’ns)*, 419 B.R. 221, 252 (Bankr. S.D.N.Y. 2009)). “While the bankruptcy court may consider the objections lodged by parties in interest, such objections are not controlling. . . . [T]he bankruptcy court must still make informed and independent judgment.” *In re WorldCom, Inc.*, 347 B.R. 123, 137 (Bankr. S.D.N.Y. 2006).

33. Additionally, under section 105 of the Bankruptcy Code, the Court has broad discretion to “carry out the provisions of this title.” 11 U.S.C. § 105(a); *see also Croton River Club, Inc. v. Half Moon Bay Homeowners Ass’n (In re Croton River Club, Inc.)*, 52 F.3d 41, 45 (2d Cir. 1995) (holding that bankruptcy courts have broad equity power to manage the affairs of debtors); *Momentum Mfg. Corp. v. Emp. Creditors Comm. (In re Momentum Mfg. Corp.)*, 25 F.3d 1132, 1136 (2d Cir. 1994) (“[B]ankruptcy courts are courts of equity, empowered to invoke equitable principles to achieve fairness and justice in the reorganization process.”).

34. The purpose of section 105(a) is “to assure the bankruptcy courts power to take whatever action is appropriate or necessary in aid of the exercise of their jurisdiction.” 2 Collier on Bankruptcy ¶ 105.01 (16th ed. 2023). Such power conforms to the Court’s inherent equitable authority. *See, e.g., U.S. v. Energy Res. Co.*, 495 U.S. 545, 549 (1990).

B. The Settlement Agreement Falls Well Within the Range of Reasonableness

35. It is well within the range of reasonableness for the Debtors to enter into the Settlement Agreement, which is the result of good faith and arm’s-length negotiations over the course of many months. *See* Conheeney Decl. ¶¶ 5-6, 10-12, 14-16, 23. The Debtors, acting under the oversight of the Special Committee and following consultation with the Debtors’ advisors and their creditors, have concluded that the Settlement Agreement is fair and equitable, reasonable and in the best interests of the Debtors’ estates and, thus, should be approved. *Id.* ¶¶ 17, 22. The Debtors submit that each of the *Iridium* factors weigh heavily in favor of the Court’s approval of the Settlement Agreement.

36. *First*, the Settlement Agreement eliminates the downside risk of an adverse outcome for the Debtors in the GBTC Action. Conheeney Decl. ¶ 19; *see also* FTX Settlement Order at 19-20 (holding “specific analysis and details of the resulting conclusions of the Genesis Debtors in consultation with their counsel about the value of each claim” is not necessary, and that the Court is not required to “conduct a ‘mini-trial’ to determine the merits of the underlying litigation.”). Pursuant to the Settlement Agreement, the Gemini GBTC Shares are valued using a measurement period starting on the TS Date (i.e., approximating their current price) rather than the price of such shares at the time of Gemini’s purported foreclosure on November 16, 2022. Conheeney Decl. ¶ 19. If Gemini had prevailed in the GBTC Action with respect to the Gemini GBTC Shares, the Gemini Lenders would have had a substantial deficiency claim against the Debtors’ estates under the terms of the Plan. *Id.* In addition, the Settlement Agreement also caps

the Gemini Proprietary Claim at \$7,500,000, *id.* ¶ 20; *provided, however*, that Gemini may also receive certain amounts under Section 2.7(b) of the Settlement Agreement. Moreover, the Settlement Agreement provides for Gemini to release any claimed lien, security interest in or constructive trust over the Additional GBTC shares, eliminating the prospect of an adverse determination for the Debtors on appeal. *See* Ex. B, Settlement Agreement § 3.2. Thus, although the Settlement Agreement also eliminates the possibility of certain litigation outcomes that would be more favorable to the Debtors and less favorable to the Gemini Lenders—including the possible scenario in which GGC were to succeed on its claim to claw back the Gemini GBTC Shares, in which case the Gemini Lenders would be left with an entirely unsecured claim—the Settlement Agreement has a substantial benefit to the Debtors’ estates by resolving the risk associated with further litigation of the GBTC Action.

37. Additionally, the Settlement Agreement provides that Gemini will indemnify and hold harmless the Debtors and their successors in interest from any and all claims and causes of action asserted by the Gemini Lenders against the Debtors and their successors in interest, and their respective Related Parties, arising from any actions taken by the Indemnified Parties in accordance with the Settlement Agreement during the period from and after entry of the Approval Order, further limiting the potential risk to the Debtors’ estates. Conheeny Decl. ¶ 20.

38. The Settlement Agreement also facilitates the making of in-kind distributions of the Debtors’ Alt-Coins to the extent that there are matching Alt-Coin-denominated claims held by the Gemini Lenders. Conheeny Decl. ¶ 20; *see also In re Terrestar Corp.*, No. 11-10612 (SHL) (Bankr. S.D.N.Y. Aug. 24, 2012) (ECF No. 593) (approving a settlement providing for pre-confirmation distribution under Bankruptcy Rule 9019). And the Settlement Agreement also provides for Gemini to contribute \$50 million in value to reduce the Gemini Master Claim on a

dollar-for-dollar basis. *See* Ex. B, Settlement Agreement § 2.1. It also provides the Debtors' estates with other additional consideration, including Gemini's assignment of claims it has against DCG to the Debtors' estates and the reduction of the allowed amount of the Gemini Proprietary Claim. *See* Ex. B, Settlement Agreement §§ 2.6, 2.7.

39. *Second*, the Settlement Agreement will allow the Debtors to avoid extensive litigation costs that would be incurred in protracted and complex litigation against Gemini. Conheeney Decl. ¶ 21. Any litigation would entail significant professional fees, including but not limited to discovery (which is currently stayed but, up until an agreement in principle was reached, was actively ongoing with respect to the GBTC Action), preparation of experts, motion practice, trial and potential appeals.³ *Id.* Moreover, any such litigation would significantly distract, and has distracted, the Debtors at a time when there are other priorities to maximize recoveries for creditors, including confirmation and implementation of the Plan. *See id.* If approved, the Settlement Agreement would fully and finally resolve the Gemini Adversary Proceedings (which will be dismissed with prejudice) and the Proofs of Claim, permitting the Debtors and their advisors to focus resources and attention on other claims and, if the Plan is confirmed, on beginning to make distributions to creditors. *Id.* Courts routinely approve settlements that resolve litigation, saving the estate in professionals' fees. *See In re Sabine Oil & Gas Corp.*, 555 B.R. 180, 309-310 (Bankr. S.D.N.Y. 2016) ("Moreover, the benefits of the Settlement strongly outweigh the likelihood of success and any rewards of litigation, particularly given the sizable costs of litigation,

³ Indeed, the Debtors' advisors alone have already incurred in excess of \$2,000,000 in connection with the Gemini Adversary Proceedings (ECF Nos. 1019, 1043, 1222, 1416, and 1459, Case No. 23-10063 (SHL)). With further discovery remaining – including fact depositions, expert reports, and expert depositions – as well as probable summary judgment motions and a potential trial, the additional fees expected would be at least as much as those already incurred and likely more.

the risk of damage to the Debtors' business, and the depletion of asset value which would likely result from remaining in chapter 11 during any such protracted litigation.”).

40. *Third*, pursuant to the Settlement Agreement, the Debtors' BTC and ETH will be preserved for future distributions under the Plan (if confirmed) or any future Chapter 11 plan (if the Plan is not confirmed).

41. In addition, the Settlement Agreement paves the way for material distributions to the Gemini Lenders, one of the largest constituents in the Chapter 11 cases. *See* Conheeney Decl. ¶¶ 19-21. Absent a settlement, making such distributions under the Plan (if confirmed) would be delayed while the parties continued the litigation of the Gemini Adversary Proceedings, particularly with respect to the value of the Gemini GBTC Shares. *See id.* ¶¶ 19, 21. Additionally, a significant reserve of distributable assets may have been necessary pending a final order regarding the Additional GBTC Shares, which reserve would have materially reduced near-term recoveries by non-Gemini Lender creditors. By contrast, the Settlement Agreement enables such distributions in the near term, which is particularly important given pricing volatility. *See id.* ¶ 21.

42. *Fourth*, the Settlement Agreement is supported by the Ad Hoc Group and the Committee.

43. *Fifth*, the Parties are represented by sophisticated and experienced professionals—highly regarded law firms and financial advisors with significant restructuring, litigation, and other relevant experience. Conheeney Decl. ¶ 23.

44. *Finally*, the Settlement Agreement is the product of arm's length negotiations among the Parties. After months of negotiations and litigation, the Parties reached the resolution reflected in the Settlement Agreement, as discussed in detail in the Conheeney Declaration. *See, e.g.,* Conheeney Decl. ¶¶ 5-6, 10-12, 14-16, 23; *see also* FTX Settlement Order at 20-21 (holding

the Court had “an appropriate evidentiary basis to review and approve” the agreement at issue given the Genesis Debtors and their restructuring professionals had “conducted a thorough analysis of all the claims”, and the settlement negotiations were “primarily handled on behalf of the Genesis Debtors by their counsel in consultation with the independent Special Committee and the Company’s senior management.”).

45. Accordingly, the Debtors submit that the settlement and compromise embodied in the Settlement Agreement is appropriate in light of the relevant factors, is fair and equitable and should be approved.

C. Gemini Has Authority as Agent to Bind the Gemini Earn Users

46. Gemini, as the duly authorized agent of the Gemini Lenders under the MLAs and Gemini Earn Agreements, has the authority to enter into the Settlement Agreement on behalf of the Gemini Lenders. *See* Lynch Decl., Ex. 2, MLAs § VI(b) (providing that “[The Gemini] Lender represents, which representation shall continue during the term of [the MLA] and any Loan hereunder, that it . . . (ii) has duly appointed [Gemini] as its agent to act on [the Gemini] Lender’s behalf for all purposes under [the MLA].”); *id.* at § VIII(a) (providing that “Upon the occurrence and during the continuation of any Event of Default” Gemini, acting on behalf of a Gemini Lender, “may, at its option . . . (3) exercise all other rights and remedies available to the [Gemini Lender] hereunder, under applicable law, or in equity.”); *see also* Lynch Decl., Ex. 1, Gemini Earn Program Terms and Authorization Agreement at § 13 (providing that “[Gemini] shall be entitled to exercise any rights and remedies under the [MLA] on [the Gemini Lender’s] behalf, and will be fully protected in acting in any manner [Gemini] deem[s] reasonable and appropriate.”). Pursuant to the terms of the MLAs and Gemini Earn Agreements, Gemini may therefore enter into the Settlement Agreement on the Gemini Lenders’ behalf, and thereby bind the Gemini Lenders to the terms of the Settlement Agreement. *See id.*; *see also Wells v. John Wiley & Sons, Inc.*, No. 14 Civ.

6745 (AT)(AJP), 2016 WL 889786, at *7 n.13 (S.D.N.Y. Feb. 17, 2016) (holding “it was clear by the contract’s written terms that [an agent licensor of principal’s photographs] possessed actual authority to enter into the settlement agreement with [a third party licensee]” who allegedly violated a separate licensing agreement.).

49. The Gemini 9019 Motion Notice, attached hereto as **Exhibit E**, shall contain a link to the Motion and a cover email describing certain terms of the Settlement Agreement, including the distributions on account of the proposed allowed Gemini Master Claim. The Gemini 9019 Motion Notice shall refer the Gemini Lenders to their individual account pages that may be accessed through the Gemini Earn Program’s website (<https://exchange.gemini.com/signin>) and

Holdings Inc., et al.*, Case No. 08-13555 (SCC) (Bankr. S.D.N.Y. Mar. 22, 2017) (ECF No. 55096); *In re Res. Cap., LLC*, 497 B.R. 720, 744 (Bankr. S.D.N.Y. 2013) (the “robust notice program . . . designed by the Garden City Group, ensured that all investors were provided with notices by distributing notices to all registered holders of RMBS by mail and posting the notices and other information on the Trustee Website . . . [,] was reasonably calculated to provide notice to all investors, . . . [and] fully satisfie[d] New York and federal due process requirements.”) (internal citations omitted).

51. The Debtors submit that, in light of the nature of the relief requested, no other or further notice need be provided.

RECITALS

A. On January 19, 2023 (the “**Petition Date**”), each of the Debtors filed a voluntary petition for relief under chapter 11 of title 11 of the United States Code (the “**Bankruptcy Code**”) in the United States Bankruptcy Court for the Southern District of New York (the “**Bankruptcy Court**”) in the jointly administered cases captioned *In re Genesis Global Holdco, LLC et al.*, Case No. 23-10063 (SHL) (the “**Chapter 11 Cases**”).

B. Prior to the Petition Date, GGC entered into certain Master Digital Loan Agreements with Gemini and certain users of Gemini (each such user a “**Gemini Lender**” and collectively the “**Gemini Lenders**”) pursuant to which such Gemini Lenders agreed to lend certain digital assets to GGC, with Gemini acting as custodian and agent for such users in certain respects (such agreements, the “**Gemini Earn Agreements**” and the transactional arrangements as set forth in the Gemini Earn Agreements, the “**Gemini Earn Program**”).

C. Through the Gemini Earn Program, the Gemini Lenders agreed, among other things, to lend Digital Assets to GGC in exchange for the return of such Digital Assets upon the request or at the expiration of a specified period and the payment by GGC of specified fees pursuant to the terms of the relevant Gemini Earn Agreement.

D. On August 15, 2022, GGC entered into a security agreement (as may be amended, restated or modified from time to time, the “**Security Agreement**”) with Gemini, as agent for the Gemini Lenders, pursuant to which GGC pledged 30,905,782 shares of the Grayscale Bitcoin Trust, a trust managed and operated by DCG (“**GBTC**”) to secure GGC’s obligations to the Gemini Lenders pursuant to the Gemini Earn Agreements (the “**Gemini GBTC Shares**”).

E. On November 10, 2022, GGC, Gemini and GGC’s parent company, Digital Currency Group, Inc. (“**DCG**”) entered into a second amendment to the Security Agreement (the “**Second Amendment**”), pursuant to which DCG agreed to deliver an additional 31,180,804 shares of GBTC (the “**Additional GBTC Shares**”) to GGC against which Gemini has asserted among other things, a security interest on behalf of the Gemini Lenders.

F. GGC breached the Second Amendment by failing to deliver the Additional GBTC Shares to Gemini.

G. On November 16, 2022 (the “**Suspension Date**”), GGC announced that it was suspending redemptions by the Gemini Lenders from the Gemini Earn Program and Gemini purported to foreclose on the Gemini GBTC Shares for total proceeds of \$284,333,194.40.

H. As of the date hereof, redemptions have not resumed and the Gemini Lenders continue to be unable to access the Master Claim Digital Assets.

I. On February 3, 2023, the United States Trustee filed the Notice of Appointment of Official Committee of Unsecured Creditors (ECF No. 53), thereby appointing creditors to serve on the UCC.

J. Pursuant to an order of the Bankruptcy Court, (i) Gemini, as agent on behalf of the Gemini Lenders, filed Proof of Claim No. 356 against GGC (the “**Gemini Master Claim**”) which asserts, among other things, claims for all of the Master Claim Digital Assets, and (ii) Gemini, in its individual capacity, filed Proof of Claim No. 406 against GGC (the “**Gemini Proprietary Claim**”), which asserts, among other things, claims for agent fees and late fees and claims related to GGC’s obligation to indemnify Gemini and its affiliates, officers, directors, employees, agents, consultants or other representatives for certain liabilities in accordance with the terms of the Gemini Earn Agreements.

K. On July 7, 2023, Gemini commenced litigation against DCG and Barry Silbert, by filing a complaint, captioned *Gemini Trust Company, LLC v. Digital Currency Group, Inc., et al.*, Case No. 1:23-cv-06864-LJL (S.D.N.Y.), asserting causes of action premised on, among other things, fraud and aiding and abetting fraud (the “**DCG Action**”).

L. On October 27, 2023, Gemini filed an adversary proceeding in the Bankruptcy Court against GGC through the Adversary Complaint, ECF No. 1, Adv. Pro. 23-01192 (SHL) (the “**GBTC Action**”) seeking declaratory judgments from the Bankruptcy Court that (i) Gemini properly foreclosed on the Gemini GBTC Shares on November 16, 2022, (ii) the Additional GBTC Shares are not property of any of the Debtors’ estates, and (iii) Gemini has a security interest in, or constructive trust over, the Additional GBTC Shares.

M. On November 21, 2023, GGC filed (i) (a) a motion to dismiss the claims asserted in the GBTC Action related to the Additional GBTC Shares and (b) an answer to the claims asserted in the GBTC Action related to the Gemini GBTC Shares, denying the allegations in support of Gemini’s purported foreclosure and asserting that the agreement extending Gemini’s obligation to return the Gemini GBTC Shares constituted an avoidable constructive fraudulent conveyance, and (ii) an adversary proceeding in the Bankruptcy Court against Gemini and certain Gemini Lenders through the Adversary Complaint, ECF No. 1, Adv. Pro. 23-01203 (SHL) (the “**Gemini Preference Action**”).

Q. On January 5, 2024, Gemini filed a motion to dismiss GGC's counterclaims related to the Gemini GBTC Shares.

R. On February 7, 2024, the Bankruptcy Court rendered an opinion in favor of the Debtors with respect to the Debtors' motion to dismiss the claims asserted in the GBTC Action related to the Additional GBTC Shares wherein it held that Gemini and the Gemini Lenders did not have a valid and perfected lien on, a security interest in or a constructive trust over the Additional GBTC Shares.

S. On February 26, 2024, the Debtors filed the *Stipulation and Order by and Between the Debtors and Gemini Trust Company, LLC on Behalf of Gemini Lenders, Allowing the Gemini Master Claim (Claim No. 356)* (ECF No. 1393), which, upon approval by a Final Order of the Bankruptcy Court, among other things, would allow the Gemini Master Claim against GGC for the Master Claim Digital Assets (the "**Master Claim Stip**").

T. Following months of arm's length good faith negotiation and to avoid unnecessary and costly litigation, on February 28, 2024 (the "**TS Date**"), the Parties executed the *Term Sheet Regarding Gemini Claims* (the "**Term Sheet**") in which they agreed to resolve all issues among them, including, without limitation, the GBTC Action and Gemini Preference Action, and among GGC and all of the Gemini Lenders, and to execute this Settlement Agreement, consistent with the terms and conditions of the Term Sheet.

Section 2.2 DCG Amount. Following the Settlement Effective Date, and solely in the event that DCG does not pay or otherwise transfer Fifty Million Dollars (\$50,000,000.00) (the "**DCG Amount**") in the aggregate to Gemini following the TS Date but prior to the Application Date, the Debtors or their successors in interest, on a joint and several basis, shall transfer to the Gemini Distribution Agent, within five (5) Business Days of receipt, six and one-half percent (6.5%) of each USD and of each asset, in each case, that constitutes a DCG Recovery, up to an amount equal, in the aggregate, to the DCG Amount Cap. Solely for purposes of calculating the DCG Amount Cap and the six and one-half percent (6.5%) portion of any DCG Recovery hereunder, the dollar value of any DCG Recovery in a form other than USD shall be equal to: (i) for any DCG Recovery in the form of Digital Assets, the value of such Digital Assets as of the instant of receipt by the Gemini Distribution Agent of such Digital Asset based on the applicable price as provided for in Section 11.11(b) hereof; (ii) for any DCG Recovery in the form of indebtedness, the face amount of such indebtedness (which face amount, if denominated in the form of Digital Assets, shall be valued (but, for the avoidance of doubt, not transferred) in USD as of the instant of receipt by the Gemini Distribution Agent of such indebtedness); (iii) for any DCG Recovery in the form of securities that have an existing public market, the average closing price for such securities for the ten (10) trading days prior to the day of receipt of such securities by the Gemini Distribution Agent; and (iv) for any DCG Recovery in the form of securities that do not have an existing public market, or any other form of consideration, the fair market value of such securities or other form of consideration as mutually agreed upon in good faith by the Parties and, if the Parties fail to agree on such fair market value within ten (10) calendar days of receipt thereof by the Gemini Distribution Agent, the fair market value as of the date of delivery to the Gemini Distribution Agent, as determined by the Bankruptcy Court. Any amounts turned over to the Gemini Distribution Agent pursuant to this Section 2.2 shall be used by the Gemini Distribution Agent to deliver the Completion Digital Assets as provided in Section 2.5(c) hereof.

Section 2.3 Gemini Earn Operations Assets. No later than five (5) Business Days following the Settlement Effective Date, Gemini shall transfer the Gemini Earn Operations Assets to the Redemption Account to be distributed to the Gemini Lenders on account of the Gemini Master Claim concurrently with the initial distribution of the Gemini Distribution Assets pursuant to the provisions of Section 2.5(b) hereof.

Section 2.4 Genesis Distribution.

(a) No later than five (5) Business Days following the Settlement Effective Date, GGC shall deliver to the Gemini Distribution Agent, for distribution to the Gemini Lenders:

(b) Upon completion of the Genesis Distribution in accordance with the provisions of this Section 2.4 hereof, the obligations of the Debtors with respect to the Gemini Master Claim shall be limited to the payments and deliveries if any to be made in accordance with Section 2.2 hereof and as otherwise set forth in this Settlement Agreement.

Section 2.5 Digital Asset Rebalance and Gemini Distribution Assets.

(a) The Gemini Distribution Agent, in its sole and absolute discretion and acting on behalf of the Debtors, is authorized to monetize or otherwise convert the Gemini Contribution, the Gemini GBTC Shares, the Genesis Distribution, the Gemini Reserved Coins, the Gemini Earn Operations Assets, and the DCG Receipts, if any, for the purpose of satisfying through in-kind delivery to the greatest extent possible the Gemini Master Claim (the monetization described in this sentence, the “**Digital Asset Rebalance**”).

(b) Following the Settlement Effective Date and the consummation of the Genesis Distribution, the Gemini Distribution Agent shall distribute, from time to time promptly upon its receipt thereof, but in no event later than fifteen (15) Business Days thereafter, in accordance with the provisions of this Settlement Agreement, the Gemini Distribution Assets on behalf of the Debtors to the Gemini Lenders in satisfaction of their claims, reducing the Gemini Master Claim on a coin-for-coin basis with respect to each Digital Asset so delivered to the Gemini Lenders; provided, however, that the Gemini Distribution Assets shall not include the Completion Digital Assets, which assets shall be distributed in accordance with the provisions of Section 2.5(c) hereof.

(c) The Gemini Distribution Agent shall deliver the Completion Digital Assets on behalf of the Debtors to the Gemini Lenders in its sole and absolute discretion; provided, however, that, if the Gemini Distribution Agent receives DCG Receipts that, in the aggregate, are in value (for such other assets, as determined in accordance with the provisions of Section 2.2 hereof) equal to or greater than Ten Million Dollars (\$10,000,000.00) or a multiple of Ten Million Dollars (\$10,000,000.00), the Gemini Distribution Agent shall distribute to the Gemini Lenders in satisfaction of their claims, within thirty (30) days of such receipt, a portion of the Completion Digital Assets equal to the quotient of (y) Ten Million Dollars (\$10,000,000.00) or

the applicable multiple thereof divided by (z) Fifty Million Dollars (\$50,000,000.00). Following the distribution of the Gemini Distribution Assets in accordance with the provisions of Section 2.5(b) hereof and of the Completion Digital Assets in accordance with the immediately preceding sentence, neither Gemini nor the Gemini Distribution Agent shall have any further obligations to the Gemini Lenders with respect to the Gemini Master Claim.

Section 2.6 Assignment of Litigation Claims and Proceeds. From and after the Application Date, Gemini shall not settle any claims or Causes of Action against DCG without the prior written consent of the Debtors, the AHG and the UCC, which consent shall not be unreasonably withheld, conditioned, or delayed. On the Settlement Effective Date and provided that DCG has not, as of such date, consummated a settlement of claims that Gemini or the Debtors maintain against DCG, Gemini shall irrevocably transfer, assign, grant and convey to GGC, or its successor in interest, for the benefit of GGC's creditors, all of Gemini's right, title and interest in and to any and all claims and Causes of Action that Gemini has asserted, or that could have been asserted, in the DCG Action, including any rights and defenses relating to such claims and Causes of Action, the facts underlying the DCG Action and any claims related to the DCG Action for indemnification arising from or relating to the Gemini Contribution or with respect to potential joint tortfeasor obligations.

Section 2.7 Gemini Proprietary Claim.

(a) On the Plan Effective Date, the Gemini Proprietary Claim shall be Allowed, as defined in the Plan, as a general unsecured claim against GGC in the amount of Seven Million Five Hundred Thousand Dollars (\$7,500,000.00) (and for the purpose of the Plan be classified as a Class 3 general unsecured claim); provided, however, that, in no event shall the Gemini Proprietary Claim be afforded any lesser treatment under the Plan, any other chapter 11 plan that may be proposed or effectuated in the Chapter 11 Cases, or in a liquidation under chapter 7 of the Bankruptcy Code than any other similarly situated general unsecured claim. Gemini shall receive distributions on the Gemini Proprietary Claim from the Debtors or the Wind-Down Debtors (as appropriate) pursuant to the Plan, including the Distribution Principles, as defined in the Plan.

(b) In the event that the aggregate amount of DCG Recoveries exceeds \$769,230,769.00 (such amounts, "**Incremental DCG Recoveries**"), the Debtors or their successors in interest, on a joint and several basis, shall transfer to Gemini, within five (5) Business Days of receipt by the Debtors, one and one-half percent (1.5%) of each such Incremental DCG Recovery up to an amount equal, in the aggregate, to Ten Million Dollars (\$10,000,000.00). For purposes of this Section 2.7(b), the dollar value of any DCG Recovery or Incremental DCG Recovery in a form other than USD shall be determined in a manner consistent with the second sentence of Section 2.2 hereof.

(c) Gemini shall waive all other claims it holds in its individual capacity against the Debtors, including, without limitation, any claims for substantial contribution or other fees and expenses incurred by Gemini, as agent or otherwise, in connection with the Chapter 11 Cases, the Gemini Master Claim, and the Gemini Proprietary Claim.

(d) Nothing in this Settlement Agreement shall affect Gemini's rights or entitlements pursuant to: (a) *the Order Authorizing Debtors' Motion to Approve (I) the Adequacy of Information in the Disclosure Statement, (II) Solicitation and Voting Procedures, (III) Forms of Ballots, Notices and Notice Procedures in Connection Therewith, and (IV) Certain Dates with Respect Thereto* [ECF No. 1027]; or (b) Article VI.B.2 of the Plan (which article shall, solely as to matters pertaining to the Gemini Distribution Agent, not be amended without Gemini's Consent, as defined in the Plan).

Section 2.8 Gemini Adversary Proceedings. On the Settlement Effective Date, the Gemini Adversary Proceedings shall be deemed dismissed, with prejudice. Within seven (7) Business Days of the Settlement Effective Date, the Parties shall take any and all action reasonably necessary to effectuate such dismissal and the waiver of their respective claims asserted in the Gemini Adversary Proceedings, including, without limitation, the filing of notices of dismissal with the Bankruptcy Court. For the avoidance of doubt, on the Settlement Effective Date, the Debtors shall be deemed to have released and waived all claims and Causes of Action that may be asserted against any Gemini Lenders (including with respect to Gemini Lenders with zero or de minimis balances as of the Petition Date, but with non-zero or non-de minimis balances as of the applicable preference period) pursuant to section 547 of the Bankruptcy Code by the Debtors and the Debtors' Estates, including, without limitation, any successors in interest.

Section 2.9 Gemini Master Claim. Within one (1) Business Day after the Application Date, the Debtors shall seek the adjournment of the presentment date of the Master Claim Stip to a date and time contemporaneous with the Bankruptcy Court's determination of the Application. Upon approval of the Master Claim Stip by a Final Order of the Bankruptcy Court, the Gemini Master Claim shall be deemed Allowed, as defined in the Plan, as a general unsecured claim against GGC for the Master Claim Digital Assets (and for the purpose of the Plan be classified as a Class 7 general unsecured claim) with distributions on account of the Gemini Master Claim strictly limited to those provided for in this Settlement Agreement.

ARTICLE III

RELEASE OF CLAIMS AND INDEMNIFICATION

Section 3.1 Debtors/UCC/AHG and SteerCo Releases. As of the Settlement Effective Date, without the need for the execution and delivery of additional documentation or the entry by the Bankruptcy Court of any order other than the Approval Order becoming a Final Order, the Debtor Releasers, the AHG (for itself and on behalf of the SteerCo Members, but not with respect to any other AHG members), and the UCC hereby release, waive, acquit and forever discharge the Gemini Releasees and each of them, from any and all accounts, actions, agreements, bonds, bills, causes of action, claims, contracts, controversies, costs, covenants, damages, disputes, debts, executions, judgments, lawsuits, liabilities, obligations, promises, reckonings, specialties, suits, sums of money, trespasses, variances, of whatever kind, nature, character or description, including, without limitation, claims for monies, damages, costs, expenses, losses and attorneys', accountants' and experts' fees and expenses, whether known or unknown, anticipated or unanticipated, suspected or unsuspected, which the Debtor Releasers, the AHG (as an Entity), the SteerCo Members, or the UCC may have or may hereafter claim to have, or which might have been alleged, against the Gemini Releasees from the beginning of

time up to and including the Settlement Effective Date, including, for the avoidance of doubt, (i) any claims resulting from Gemini's purported foreclosure on the Gemini GBTC Shares, and (ii) any claims related to the Gemini Reserved Coins and the Gemini Earn Operations Assets; provided, however, that this release shall not cover obligations reflected in this Settlement Agreement, which obligations shall survive this release subject to the provisions of this Settlement Agreement.

Section 3.2 Gemini Releases. As of the Settlement Effective Date, without the need for the execution and delivery of additional documentation or the entry by the Bankruptcy Court of any order other than the Approval Order becoming a Final Order, the Gemini Releasers hereby release, waive, acquit and forever discharge the Debtor Releasees, the AHG, the SteerCo Members, and the UCC, and each of them, from any and all accounts, actions, agreements, bonds, bills, causes of action, claims, contracts, controversies, costs, covenants, damages, disputes, debts, executions, judgments, lawsuits, liabilities, obligations, promises, reckonings, specialties, suits, sums of money, trespasses, variances, of whatever kind, nature, character or description, including, without limitation, claims for monies, damages, costs, expenses, losses and attorneys', accountants' and experts' fees and expenses, whether known or unknown, anticipated or unanticipated, suspected or unsuspected, which the Gemini Releasers may have or may hereafter claim to have, or which might have been alleged, against the Debtor Releasees, the AHG, the SteerCo Members, or the UCC from the beginning of time up to and including the Settlement Effective Date; provided, however, that this release shall not cover: (i) the Gemini Proprietary Claim; (ii) obligations reflected in this Settlement Agreement, which claims and obligations shall survive this release subject to the provisions of this Settlement Agreement; and (iii) Claims or Causes of Action assigned to the Debtors pursuant to the terms hereof.

Section 3.3 Indemnification. In the event that any of the Debtors or their successors in interest or respective Related Parties (the "**Indemnified Parties**") becomes involved in any claim, suit, action, or proceeding commenced by any Gemini Lender against any Indemnified Party after the completion of the Genesis Distribution in accordance with the provisions of Section 2.4 hereof arising from any action taken by any Indemnified Party in accordance with this Settlement Agreement (collectively, a "**Proceeding**"), Gemini shall indemnify such Indemnified Party for any losses and reasonable and documented legal expenses caused by such Proceeding ("**Losses**"), except to the extent that such Losses (a) resulted from the gross negligence, fraud or willful misconduct of an Indemnified Party as determined by a Final Order of a court of competent jurisdiction or (b) relate solely to an appeal taken from the Approval Order. The total aggregate amount of Gemini's indemnification obligations for any Losses under this Settlement Agreement shall be limited to and not exceed the U.S. Dollar value of the Genesis Distribution actually made in accordance with Section 2.4 hereof (calculated using the Effective Date Value of the Genesis Alt-Coin Distribution and the dollar amount of the Genesis USD Distribution). Gemini shall have no indemnification obligation for any Proceeding based in whole or in part on actions taken by any Indemnified Party prior to the date of entry of the Approval Order. If any Proceeding shall be brought, threatened or asserted against an Indemnified Party in respect of which indemnity or contribution may be sought against Gemini, the Indemnified Party shall promptly notify Gemini in writing, but in any event within twenty-one (21) days from the date on which the Indemnified Party is provided notice of any such Proceeding, and the failure to provide such notice to Gemini shall relieve Gemini of any and all

indemnification obligations to such Indemnified Party pursuant to this Settlement Agreement solely with respect to such Proceeding. Gemini, upon written notice to such Indemnified Party, may elect to assume the defense of such Proceeding, at Gemini's own expense, with counsel of its choice. Such Indemnified Party shall have the right, at its sole expense, to employ separate counsel in any such Proceeding and to participate in the defense thereof. Gemini shall have the right to at its sole discretion settle, compromise, or consent to the entry of a judgment in any pending or threatened Proceeding without requiring the consent of any Indemnified Party so long as such settlement, compromise, or consent includes an explicit and unconditional release from the settling, compromising, or consenting party of the applicable Indemnified Party from all liability arising out of such Proceeding. No Indemnified Party seeking indemnification under this Settlement Agreement shall, without Gemini's prior written consent settle, compromise, or consent to the entry of any judgment or otherwise seek to terminate any Proceeding in respect of which indemnification may be sought under this Settlement Agreement. In no event will Gemini be required to pay, pursuant to the indemnification provisions set forth in this Section 3.3 hereof, (x) fees and expenses for more than one firm of attorneys representing each Indemnified Party in any jurisdiction in any one legal action or group of related legal actions or (y) with respect to the fees and expenses incurred by an Indemnified Party prior to the date on which such Indemnified Party notifies Gemini in writing of the applicable Proceeding, fees and expenses incurred by such Indemnified Party in connection with such Proceeding in excess of Ten Thousand Dollars (\$10,000.00).

The Parties subsequently may discover facts different from or in addition to those now known or believed to be true regarding the subject matter of this Settlement Agreement and agree that this Settlement Agreement shall remain in full force and effect notwithstanding the existence or discovery of any such different or additional facts.

Section 7.4 Authorizations. Other than the approval by the Bankruptcy Court and entry of the Approval Order, or as otherwise set forth in this Settlement Agreement, no authorizations, approvals, consents or waivers by, or notifications to, a governmental authority, or other person (including but not limited to licenses, notifications, registrations or declarations) (collectively, "**Authorizations**") are required for the execution, delivery or satisfaction by such

Party of this Settlement Agreement or the satisfaction of any of the obligations of such Party contemplated hereby, or, if required, all such Authorizations have been obtained.

ARTICLE VIII

Section 8.3 Covenants of the UCC and the AHG. For so long as this Settlement Agreement remains in effect, each of the UCC and the AHG, individually on a several and not joint basis, hereby covenants and agrees, solely with respect to itself, and not with respect to any of its individual members (but, for the avoidance of doubt, including the SteerCo Members), that it shall support and take any and all actions commercially reasonable, necessary or appropriate to consummate the transactions set forth in this Settlement Agreement, including, but not limited to:

(a) supporting approval of the Application (and not objecting to, or supporting the efforts of any other person to oppose or object to, approval of the Application);

ARTICLE IX

RESERVATION OF RIGHTS

Section 9.1 Reservation. Except as otherwise provided in this Settlement Agreement, the Parties hereby reserve all rights with respect to all matters between them (or any of their respective affiliates) not related to this Settlement Agreement or the transactions contemplated hereby, which rights shall not be affected by this Settlement Agreement, by implication or otherwise. The sole purpose of this Settlement Agreement is to provide for, confirm, and acknowledge the completion of the transactions contemplated in this Settlement Agreement.

Section 9.2 Non-Admissibility. Neither this Settlement Agreement nor any negotiations or proceedings in connection herewith may be used, and such negotiations and proceedings shall not be admissible, in any proceeding against any Party or its affiliates for any purpose, except to seek Bankruptcy Court approval or to effectuate or otherwise enforce the terms of this Settlement Agreement. For the avoidance of doubt, in the event the Settlement Effective Date does not occur, each Party agrees that it will not rely on anything set forth in this Settlement Agreement in the GBTC Action.

ARTICLE X

MATTERS PERTAINING TO THE GEMINI DISTRIBUTION AGENT

Section 10.1 Authorization to Distribute. Each of the Debtors irrevocably appoints Gemini as the Gemini Distribution Agent and authorizes Gemini in such capacity to make all distributions to the Gemini Lenders pursuant to this Settlement Agreement, and each of the UCC and the AHG consents to such appointment and authorization. On behalf of the Debtors, the Gemini Distribution Agent shall distribute the Gemini Distribution Assets and the Completion Digital Assets as set forth in this Settlement Agreement in full satisfaction of each Individual Earn Obligation. The Gemini Distribution Agent shall not be required to give any bond or surety or other security for the performance of its duties unless otherwise ordered by the Bankruptcy Court; provided, however, that, in the event that the Gemini Distribution Agent is so otherwise ordered, all costs and expenses of procuring any such bond or surety shall be borne by the Debtors or the Wind-Down Debtors, as applicable.

Section 10.2 Additional Authorization. Solely to the extent it deems necessary to implement this Settlement Agreement and the transactions contemplated hereby, the Gemini Distribution Agent shall be empowered and directed to: (a) effect all actions and execute on its behalf all agreements, instruments, and other documents necessary to perform its duties under this Settlement Agreement; (b) make all distributions contemplated hereby; (c) employ professionals to represent it with respect to its responsibilities; and (d) exercise such other powers as may be vested in the Gemini Distribution Agent by order of the Bankruptcy Court, pursuant to this Settlement Agreement or as deemed by the Gemini Distribution Agent to be necessary and proper to implement the provisions of this Settlement Agreement.

Section 10.3 Monetization. The Gemini Distribution Agent shall, at its sole discretion and to the maximum extent permitted by law, be authorized to (a) monetize assets distributed or

transferred to the Gemini Distribution Agent, including the Gemini GBTC Shares (in accordance with the terms of the Trust Asset Order), the Gemini Reserved Coins, the Gemini Earn Operations Assets, and the Genesis Distribution, and (b) rebalance assets distributed or transferred to the Gemini Distribution Agent, including the Gemini GBTC Shares, the Gemini Reserved Coins, the Gemini Earn Operations Assets, and the Genesis Distribution in a manner consistent with the provisions of this Settlement Agreement, in each case, to enable the Gemini Distribution Agent to make distributions in respect of Gemini Lender Claims denominated in Digital Assets in the like kind form of Digital Asset in which such Claims are denominated. The Gemini Distribution Agent, to the maximum extent permitted by law, is authorized to effectuate such rebalancing by buying and selling of Digital Assets or otherwise exchanging any type of Digital Asset into any other type of Digital Asset.

Section 10.4 Gemini Fees. Except as otherwise ordered by the Bankruptcy Court, the amount of any reasonable and documented fees and expenses incurred by the Gemini Distribution Agent (solely in its capacity as Gemini Distribution Agent and solely with respect to its duties in such capacity) on or after the Settlement Effective Date, and any reasonable and documented compensation and expense reimbursement claims (including reasonable and documented attorney fees and expenses) made by the Gemini Distribution Agent (solely in its capacity as such), shall be paid in cash by the Debtors (or, from and after the Plan Effective Date, by the Wind-Down Debtors from the Wind-Down Reserve (as defined in the Plan)); provided, however, that the fees and expenses incurred by the Gemini Distribution Agent shall be subject to and limited by a budget determined in the Debtors' reasonable discretion, with the Committee's Consent, Gemini's Consent, and the Ad Hoc Group's Consent, each as defined in the Plan, and the Gemini Distribution Agent shall not incur any fees and expenses in excess of such budget without the prior written consent of the Debtors or, from and after the Plan Effective Date, the PA Officer, which consent shall not be unreasonably withheld, conditioned, or delayed; and, provided, further, that, if the Parties cannot agree to such budget pursuant to the terms of this Settlement Agreement prior to the objection deadline provided for in the Application, the Parties (or any of them) may seek a determination of the Bankruptcy Court regarding the same.

Section 10.5 Reliance by the Gemini Distribution Agent. Solely to the extent it deems necessary to implement this Settlement Agreement and the transactions contemplated hereby, the Gemini Distribution Agent (a) shall be entitled to rely upon, and shall not incur any liability for relying upon, any notice, request, certificate, consent, statement, instrument, document or other writing (including any electronic message, Internet or intranet website posting or other distribution) reasonably believed by it to be genuine and to have been signed, sent or otherwise authenticated by the proper person and (b) may consult with legal counsel, independent accountants and other experts selected by it, and shall not be liable for any action taken or not taken by it in good faith and in reliance on the advice of any such counsel, accountants, experts or professional advisors.

Section 10.6 Delegation by Gemini Distribution Agent. Upon five (5) Business Days' prior written notice to counsel to the Debtors, the UCC, and the AHG, the Gemini Distribution Agent may appoint one or more entities under common control with Gemini as agents to assist it in furtherance of the performance by the Gemini Distribution Agent of its duties under this Settlement Agreement; provided, however, that, notwithstanding the appointment of any such

agents, the Gemini Distribution Agent shall remain responsible for any and all of its duties and obligations under this Settlement Agreement.

Section 10.7 No Third-Party Beneficiary. The provisions of this ARTICLE X are solely for the benefit of the Gemini Distribution Agent, the Debtors, the UCC, and the AHG, and no other person shall have rights as a third party beneficiary of any such provisions.

Section 10.8 Non-Waiver of Rights. For the avoidance of doubt, nothing set forth in this ARTICLE X shall be deemed to waive, prejudice, amend, or otherwise alter Gemini's rights pursuant to the Gemini Earn Agreements or any other agreements between Gemini and the Gemini Lenders. Such rights are preserved to the fullest extent possible.

ARTICLE XI

MISCELLANEOUS

Section 11.1 No Admission of Liability. This Settlement Agreement is not an admission of any liability but is a compromise and settlement and neither this Settlement Agreement, nor any of the communications or proceedings described in the following sentence, shall be treated as, or claimed to be, or to be evidence of, an admission of any liability or wrongdoing whatsoever, or the truth or untruth, or merit or lack of merit, of any claim or defense of any Party. Without limitation of the preceding sentence, all communications (whether oral or in writing) between or among the Parties, their counsel or their respective representatives, and all proceedings relating to, concerning or in connection with this Settlement Agreement, or the matters covered hereby and thereby (whether occurring prior to, on or after the date hereof), shall be governed and protected in accordance with the Federal Rule of Evidence 408 and New York Civil Practice Law and Rules Section 4547 to the fullest extent permitted by law.

Section 11.2 Further Assurances. Each Party agrees that from time to time it will promptly, and at its sole cost and expense (subject to and in accordance with the Bankruptcy Code and the Federal Rules of Bankruptcy Procedure), execute and deliver all further agreements, instruments, documents and certificates, and shall make or cause to be made such recordings or registrations and take all further action, as may be necessary or reasonably desirable or as may be reasonably requested by a Party hereto to evidence any of the terms and provisions of this Settlement Agreement.

Section 11.3 Governing Law. This Settlement Agreement and any disputes arising hereunder or controversies related hereto, shall be construed, performed and enforced in accordance with, and governed by the internal laws, and not the laws of conflicts, of the State of New York that apply to contracts made and performed entirely within such state, except to the extent that the laws of the State of New York are superseded by the Bankruptcy Code.

Section 11.4 Jurisdiction. The Parties hereby (i) irrevocably and unconditionally submit to the exclusive jurisdiction of the Bankruptcy Court to determine all claims or disputes relating in any way to this Settlement Agreement and (ii) irrevocably and unconditionally waive, to the fullest extent permitted by law, any objection to the laying of venue in the aforesaid courts.

Section 11.5 Waiver of Jury Trial. EACH PARTY HERETO, FOR ITSELF AND ITS AFFILIATES, HEREBY IRREVOCABLY AND UNCONDITIONALLY WAIVES TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAW ALL RIGHT TO TRIAL BY JURY IN ANY PROCEEDING (WHETHER BASED ON CONTRACT, TORT OR OTHERWISE) ARISING OUT OF OR RELATING TO THE ACTIONS OF THE PARTIES HERETO OR THEIR RESPECTIVE AFFILIATES PURSUANT TO THIS SETTLEMENT AGREEMENT OR IN THE NEGOTIATION, ADMINISTRATION, PERFORMANCE OR ENFORCEMENT HEREOF.

Section 11.6 Complete Agreement. Except as otherwise expressly provided in this Settlement Agreement, this Settlement Agreement constitutes the entire agreement of the Parties with respect to the subject matter of this Settlement Agreement and supersedes all prior negotiations, commitments, course of dealings, agreements, and undertakings, both written and oral, between or on behalf of the Parties with respect to the subject matter of this Settlement Agreement. Any amendment, modification or supplement to this Settlement Agreement must be in writing, state that it is amending, modifying, or supplementing this Settlement Agreement, as the case may be, and be signed by each of the Parties.

Section 11.7 Assignment. This Settlement Agreement may not be assigned by any Party without the prior written consent of the others, and any purported assignment in violation hereof will be null and void.

Section 11.8 Successors and Assigns. The provisions of this Settlement Agreement and the obligations and rights hereunder shall be binding upon, inure to the benefit of and be enforceable by and against the Parties and their respective successors and permitted assigns. Nothing in this Settlement Agreement is intended to or will confer any rights or remedies on any person or entity other than the Parties and their respective successors and permitted assigns.

Section 11.9 Waivers. The delay or failure of any Party to exercise or enforce any of its rights under this Settlement Agreement will not constitute, or be deemed to be, a waiver of those rights, nor will any single or partial exercise of any such rights preclude any other or further exercise thereof or the exercise of any other right. No waiver of any provision of this Settlement Agreement will be effective unless it is in writing and signed by the Party against which it is being enforced.

Section 11.10 Counterparts. This Settlement Agreement may be executed in one or more counterparts, all of which shall be considered one and the same agreement, and shall become effective when one or more such counterparts have been signed by each of the Parties and delivered to each of the Parties. This Settlement Agreement may be executed and transmitted to any other party by email of a PDF, which email or PDF shall be deemed to be, and utilized in all respects as, an original, wet-inked document.

Section 11.11 Interpretation.

(a) The Parties all participated in the negotiation and drafting of this Settlement Agreement. If an ambiguity or question of interpretation should arise, this Settlement Agreement shall be construed as if drafted jointly by the Parties and no presumption or burden of proof shall

arise favoring or burdening any such Party by virtue of the authorship of any of the provisions in this Settlement Agreement.

(b) Unless otherwise agreed by the Parties, any Digital Asset to be valued in connection with this Settlement Agreement shall be valued by using (i) with respect to Digital Assets that have real time CME CF rates as of the applicable date, CME CF benchmarks (located at <https://www.cmegroup.com/markets/cryptocurrencies/cme-cf-cryptocurrency-benchmarks.html>), (ii) with respect to any other Digital Asset other than RLY and TOKE, the Coinbase exchange in the first instance or the Binance exchange, if such Digital Asset is not listed on the Coinbase exchange, (iii) with respect to RLY, using \$0.016 per token, and (iv) with respect to TOKE using \$1.40 per token, in each of cases (i) and (ii) as finally determined in accordance with the remainder of this Section 11.11(b). The Parties shall work in good faith to determine the Effective Date Value of applicable Digital Assets pursuant to the terms of this Settlement Agreement. If the Parties cannot agree to the Effective Date Value of any Digital Asset pursuant to the terms of this Settlement Agreement prior to the objection deadline provided for in the Application, the Parties (or any of them) may seek a determination of the Bankruptcy Court regarding the same.

(c) To the extent of any inconsistencies between the provisions of this Settlement Agreement and the Approval Order, on the one hand, and any prior order of the Bankruptcy Court, on the other hand, the provisions of the Approval Order and this Settlement Agreement shall govern in all respects. In the case of any inconsistencies between the provisions of this Settlement Agreement and the Approval Order, the provisions of the Approval Order shall govern in all respects.

Section 11.12 Severability. In the event any one or more of the provisions contained in this Settlement Agreement should be held invalid, illegal or unenforceable in any respect, the validity, legality and enforceability of the remaining provisions contained herein shall not in any way be affected or impaired thereby. The Parties shall endeavor in good-faith negotiations to replace the invalid, illegal, or unenforceable provisions with valid provisions, the economic effect of which comes as close as possible to that of the invalid, illegal, or unenforceable provisions.

Section 11.13 Business Days. When calculating the period of time before which, within which, or following which any act is to be done pursuant to this Settlement Agreement, the date that is the reference date in calculating such period shall be excluded, and if the last day of such period is not a Business Day, the period shall end on the next succeeding Business Day, and if the period is for five (5) days or fewer, only Business Days shall be counted.

Section 11.14 Titles and Headings. The titles, headings and captions of this Settlement Agreement are for convenience only and are not a part of this Settlement Agreement and do not in any way limit or amplify the terms and provisions of this Settlement Agreement and shall have no effect on its interpretation.

Section 11.15 Outside Date. This Settlement Agreement shall terminate and be of no further force or effect if the Settlement Effective Date has not occurred at the earliest to occur of (a) May 31, 2024 (or such later date as the Parties may agree in writing), and (b) the entry of a

Final Order of the Bankruptcy Court denying the Application and the relief requested therein, in each case, except that the provisions of Section 11.17 hereof shall be effective and shall survive such termination.

Section 11.16 Access to Information. Each of the Parties acknowledges that it has had access to the data and information it requires and has had answered to its satisfaction any questions it has asked, with regard to the meaning and significance of any of the provisions of this Settlement Agreement.

Section 11.17 Fees, Costs and Expenses. All Gemini Retention Costs, if any, shall be borne by Gemini. Except for the foregoing sentence or as otherwise provided in this Settlement Agreement, including Sections 3.3 and 10.4 hereof each Party shall (subject to and in accordance with the Bankruptcy Code and Federal Rules of Bankruptcy Procedure) be responsible for the payment of its own costs and expenses (including, without limitation, reasonable attorneys' fees and carrying costs) in connection with the drafting, execution, and implementation of this Settlement Agreement and the transactions contemplated hereby. Nevertheless, in any action or proceeding to enforce this Settlement Agreement, the prevailing Party shall be entitled to payment of its reasonable costs and expenses (including, without limitation, reasonable attorneys' fees).

Section 11.18 Notices. All notices, requests, claims, demands and other communications under this Settlement Agreement shall be in English, shall be in writing and shall be given or made (and shall be deemed to have been duly given or made upon receipt) by delivery in person, by overnight courier service, by email with receipt confirmed or by registered or certified mail (postage prepaid, return receipt requested) to the respective Parties at the following addresses (or at such other address for a Party as shall be specified in a notice given in accordance with this Section 11.18).

Section 11.19 Reconciliation. For all purposes of this Settlement Agreement, whenever the Parties have agreed herein to reconcile, deliver a statement or supporting documentation regarding, or otherwise confirm any valuations or costs, including, but not limited to, whether

transactions effected or costs incurred, estimated or otherwise calculated in connection with this Settlement Agreement were effected, incurred, estimated or calculated in the manner described and permitted in this Settlement Agreement, as promptly as practicable after any reasonable request from any Party, the other Party shall provide such requesting Party with the requested information and documentation (to the extent not previously provided) regarding the reconciliation.

Section 11.20 Specific Performance. It is understood and agreed by the Parties that money damages would not be a sufficient remedy for any breach of this Settlement Agreement by any Party and each non-breaching Party shall be entitled to specific performance and injunctive or other equitable relief (including attorneys' fees and costs) as a remedy of any such breach, without the necessity of proving the inadequacy of money damages as a breach, including an order of the Bankruptcy Court requiring any Party to comply promptly with any of its obligations hereunder. CONHEENEY IN SUPPORT OF DEBTORS’
MOTION FOR ENTRY OF AN ORDER APPROVING
A SETTLEMENT AGREEMENT AMONG THE DEBTORS,
GEMINI TRUST COMPANY, LLC, THE AD HOC GROUP OF GENESIS
LENDERS, AND THE OFFICIAL COMMITTEE OF UNSECURED CREDITORS**

I, Thomas Conheeney, pursuant to 28 U.S.C. § 1746, hereby declare under penalty of perjury that the following is true and correct to the best of my knowledge, information and belief:

1. I submit this declaration (the “Declaration”)² in support of the *Debtors’ Motion for Entry of an Order Approving a Settlement Agreement Among the Debtors, Gemini Trust Company, LLC, the Ad Hoc Group of Genesis Lenders, and the Official Committee of Unsecured Creditors* (the “Motion”), filed concurrently with this Declaration.

BACKGROUND

2. I am a member of the Special Committee of the Board of Directors (the “Special Committee”) of Genesis Global Holdco, LLC (“Holdco,” and together with Genesis Global Capital, LLC (“GGC”) and Genesis Asia Pacific Pte. Ltd., the “Debtors,” and together with the Debtors and Holdco’s non-Debtor subsidiaries, the “Company”). I have held my current title since November 2022.

3. I am generally familiar with the day-to-day operations and affairs of the Debtors, and have been directly involved in overseeing the Debtors’ operations and restructuring efforts since the initiation of the Chapter 11 Cases. Except as otherwise indicated, all statements in this Declaration are based upon my personal knowledge attained while working with the Debtors; my discussions with members of the Special Committee of the Board of Directors of Holdco; discussions with other members of the Debtors’ team and the Debtors’ other advisors; my review of relevant documents; and my views based upon my professional experience.

² Capitalized terms not defined herein shall have the meanings ascribed to them in the Motion.

4. To the extent that the Debtors learn that any information provided herein is materially inaccurate, the Debtors will act promptly to notify the Court and other parties; however, I believe all information herein to be true to the best of my knowledge, information and belief. I am authorized to submit this Declaration on behalf of the Debtors and, if called upon to testify, I could and would testify competently to the facts set forth herein.

A. The Settlement Process

5. The Debtors and Gemini, through both their principals and advisors, were engaged in discussions regarding various disputes relating to the Gemini GBTC Shares before the Petition Date. These discussions continued, and increasingly focused on the pledged collateral, immediately in the wake of Gemini's purported foreclosure on the Gemini GBTC Shares. Since the Petition Date, the Debtors and their advisors have continued to seek a resolution of ongoing disputes with Gemini.

6. The Debtors' efforts in this regard included multiple rounds of negotiations amongst the key stakeholders, occurring both before the Petition Date and at various points throughout the pendency of the Chapter 11 Cases. On February 10, 2023 the Debtors announced an agreement in principle that contemplated a settlement of certain disputes with Gemini, which was subsequently abandoned. Following the abandonment of the February 2023 agreement in principle, the Debtors and Gemini continued to engage in discussions, notably exchanging various drafts and counterproposals in July 2023, September 2023 and October 2023.

7. On October 27, 2023, Gemini filed the GBTC Action against GGC in the Bankruptcy Court through the Adversary Complaint (ECF No. 1, Adv. Pro. No. 23-01192 (SHL)), seeking declaratory judgments that (i) Gemini properly foreclosed on the Gemini GBTC Shares on November 16, 2022, (ii) the Additional GBTC Shares are not property of any of the Debtors'

estates, and (iii) Gemini has a security interest in, or constructive trust over, the Additional GBTC Shares.

8. On November 21, 2023, in the GBTC Action, GGC filed (i) a motion to dismiss the claims related to the Additional GBTC Shares (ECF No. 9) and (ii) an answer to the claims related to the Gemini GBTC Shares, denying the allegations in support of Gemini's purported foreclosure and asserting as a counterclaim that the First Amendment's obligation to require GGC to pledge the collateral until an indefinite date when all obligations to the Gemini Lenders had been discharged constituted an avoidable constructive fraudulent conveyance (ECF No. 10). On the same date, GGC filed the Preference Action against Gemini and certain Gemini Lenders in the Bankruptcy Court through an Adversary Complaint (ECF No. 1, Adv. Pro. No. 23-01203 (SHL)).

9. On December 18, 2023, Gemini filed a motion to dismiss GGC's counterclaims related to the Additional GBTC Shares in the GBTC Action (ECF No. 16).

10. While the parties proceeded to litigate the Gemini Adversary proceedings, including in the first instance, the cross motions to dismiss claims and counterclaims concerning the Additional GBTC shares that were never delivered to Gemini, both discovery and settlement discussions continued.

11. While all key parties with an economic stake had been involved in and kept apprised of settlement discussions, following unsuccessful attempts to reach a resolution, the Debtors encouraged the Ad Hoc Group to commence direct negotiations with Gemini. In response to this suggestion, the Ad Hoc Group representatives began making formal proposals to the Debtors and Gemini in December 2023, while consulting and keeping all parties apprised of the progress.

12. Since that time, the Debtors, the Ad Hoc Group, the Committee, and Gemini (together, the “Parties”) engaged in further negotiations to explore the possibility of a settlement agreement to resolve the Gemini Adversary Proceedings and the Proofs of Claim. At the direction of the Special Committee, the Debtors’ advisors participated in certain of these discussions and provided input to Gemini and the Ad Hoc Group. The Special Committee was kept informed of these discussions.

13. On February 7, 2024, the Court issued a memorandum opinion in the GBTC Action dismissing Gemini’s claims that it had a valid and perfected lien on, security interest in or constructive trust over the Additional GBTC Shares (ECF No. 35). The memorandum opinion also dismissed without prejudice all claims against GAP and GGH. An order implementing the opinion and granting the Debtors’ motion to dismiss was entered on February 22, 2024 (ECF No. 44).

14. Over the past few months and weeks, including the period both before and after the February 7, 2024 memorandum decision, the Ad Hoc Group and Gemini continued to have direct discussions, while keeping the Debtors and Committee updated and obtaining their input as part of the process. Although key economic terms were initially negotiated between the Ad Hoc Group and Gemini, the Debtors and the Committee also participated in the negotiations and obtained important concessions from Gemini and the Ad Hoc Group. These efforts resulted in the Parties reaching an agreement in principle on February 27, 2024.

15. Settlement negotiations were primarily handled on behalf of the Debtors by the Debtors’ counsel, Cleary Gottlieb Steen & Hamilton LLP, who regularly consulted with the Special Committee as well as the Company’s senior management and kept the Special Committee

updated about the process and progress of negotiations as well as developments in the Gemini Adversary Proceedings.

16. The Special Committee approved the proposed agreement in principle on February 28, 2024. On the same day, the Parties announced the key terms of the agreement in principle at a hearing before the Bankruptcy Court. Since that time the Parties and their advisors have worked to document the agreement in principle, which has resulted in the Settlement Agreement.

17. In this case, after consultation with the Debtors' advisors, the Special Committee has concluded that the Settlement Agreement is fair and equitable, reasonable and in the best interests of the Debtors' estates and, thus, should be approved.

B. The Settlement Agreement

18. The terms of the Settlement Agreement provide significant and near-term benefits to the Debtors and their creditors, in contrast to the uncertainty and expense of continued litigation of the Gemini Adversary Proceedings and various disputes concerning the Proofs of Claim.

19. The Settlement Agreement maximizes creditor recoveries and eliminates the potential risk of an adverse judgment against the Debtors following litigation of the Gemini Adversary Proceedings. Under the Settlement Agreement, the Gemini GBTC Shares are valued to approximate their current price, as compared to their price at the time of Gemini's purported foreclosure on November 16, 2022, which Gemini previously asserted should be used to value the Gemini GBTC Shares. If Gemini had prevailed in the GBTC Action with respect to the validity of their foreclosure over such shares, Gemini would assert that the Gemini Lenders would have had a substantial deficiency claim against the Debtors' estates. Continuing to litigate the GBTC Action also would have caused significant delay in making fulsome and prompt distributions to creditors, including the Gemini Lenders. Moreover, if the Debtors had lost the litigation over this

issue, recoveries of general unsecured creditors other than the Gemini Lenders would be negatively impacted.

20. Further, the distribution from the Debtors to the Gemini Lenders under the Settlement Agreement is substantially less than the Debtors' had previously proposed to Gemini in prior settlement offers. The Settlement Agreement also has the benefit of capping the Gemini Proprietary Claim at a significant discount to the value originally asserted by Gemini. Moreover, the Settlement Agreement provides that Gemini shall indemnify and hold harmless the Debtors and their successors in interest from any and all claims and causes of action asserted by the Gemini Lenders against the Debtors, their successors in interest, and their respective Related Parties, arising from any actions taken by the Indemnified Parties in accordance with the Settlement Agreement during the period from and after entry of the Approval Order, further limiting the potential risk to the Debtors' estates. In addition, the Settlement Agreement facilitates the Debtors' making of in-kind distributions of alt-coins, to the extent that there are matching alt-coin-denominated claims held by the Gemini Lenders.

21. The Settlement Agreement will also allow the Debtors to avoid extensive litigation costs that would be incurred in protracted and complex litigation against Gemini. Any litigation would entail significant professional fees, including but not limited to potential discovery, preparation of experts, motion practice, and potentially trial and a post-trial remedies phase. Any such litigation would significantly distract the Debtors at a time where there are other priorities to maximize recoveries for creditors, including confirmation and consummation of the Chapter 11 Plan. If approved, the Settlement Agreement would fully and finally resolve the GBTC Action and the Proofs of Claim, permitting the Debtors and their advisors to focus resources and attention on other claims, confirmation and consummation of the Plan and on beginning to make

distributions to creditors. More importantly, if litigation were to continue, it would delay the Debtors' ability to make material distributions for the benefit of the Gemini Lenders, particularly with respect to the value of the Gemini GBTC Shares. By contrast, the Settlement Agreement enables such distributions in the near term, which is particularly important given pricing volatility.

22. The Debtors have exercised their informed business judgment to determine that the Settlement Agreement is fair and reasonable and in the best interest of the Debtors.

23. The Settlement Agreement is the product of significant efforts by the Parties and is the product of more than a year of arm's length negotiations. The Parties are represented by sophisticated and experienced professionals—highly regarded law firms and financial advisors with significant restructuring, litigation, and other relevant experience. The Settlement Agreement is fair and equitable, reasonable and in the best interests of the Debtors' estates.

Pursuant to 28 U.S.C. § 1746, I declare under penalty of perjury that the foregoing is true and correct.

Gemini Earn Program Terms and Authorization Agreement

Gemini Earn Program Terms and Authorization Agreement

Last updated: December 14, 2022

Gemini Earn (the "Program") is a program that allows customers ("you" or "your") of Gemini Trust Company, LLC ("Gemini," "we," "us" or "our") to lend certain Digital Assets that you custody with us. In order to participate in the Program, you must agree to this Terms of Service and Authorization Agreement ("Authorization Agreement") and enter into one or more Master Loan Agreements ("Loan Agreements") with the borrowers disclosed on Schedule A ("Borrowers"). By choosing to participate in our Program, you acknowledge that you have read, understood and agreed to this Authorization Agreement.

1. PROGRAM RISKS

- YOUR AVAILABLE DIGITAL ASSETS WILL LEAVE OUR CUSTODY, AND YOU ACCEPT THE RISK OF LOSS ASSOCIATED WITH LOAN TRANSACTIONS, UP TO, AND INCLUDING, TOTAL LOSS OF YOUR AVAILABLE DIGITAL ASSETS.
 - We are not a depository institution, and our Program does not offer a depository account. Participating in our Program may put your Digital Assets at risk.
 - Loans made through our Program may not be secured. As a Lender, you understand that you have exposure to Borrower credit risk. Borrowers are not required to post collateral to you or to us, however, they may require collateral to secure loans that they themselves make.

- Transactions in Digital Assets may carry added risk compared to lending of other types of assets because transactions in cryptocurrency are in many cases irreversible. Funds may not be recoverable in the event of errors or fraudulent activity.
- We are not a principal to any Loan, and we have no obligation or ability to return the Loaned Digital Assets from your Borrower in the event of a Borrower default.
- The Borrower is not required to custody or maintain the Loaned Digital Assets with us or any other Gemini-controlled account. You understand that we cannot be and are not responsible for any Digital Assets once they leave our custody.
- You understand that Loans are not insured by us or any governmental program or institution and that we do not assume any market or investment risk of loss associated with your Participation in our Program. Your Available Digital Assets may decline in value during the term of a Loan or the applicable callback period.
- Loan Fees are variable and subject to change. Loan Fees may decline over time and we cannot guarantee that you will earn any particular rate of return on your Available Digital Assets by making Loans.
- You are responsible for determining any taxes you may owe as a result of your participation in our Program. You should consult a tax advisor if you have questions about the tax implications of our Program or any other digital asset transactions.

2. Participation in our Program

By participating in our Program, you represent and affirm that you are at least 18 years old, have the legal capacity to enter into this Authorization Agreement, and agree to be legally bound by the terms and conditions of this Authorization Agreement in their entirety.

You agree and understand that this Authorization Agreement is subject to the terms and conditions set forth in our [User Agreement](#), which also govern this Authorization Agreement. In case of conflict, the User Agreement shall control. You further agree and understand that the defined terms used in this

Authorization Agreement, if defined in our User Agreement, shall have the meanings set forth in our User Agreement.

You agree and understand that we may change this Authorization Agreement from time to time. Your continued participation in the Program following any change or update shall constitute your agreement to the amended Authorization Agreement, and you agree to be legally bound by its terms and conditions as amended. You should, therefore, read this Authorization Agreement from time to time. You further agree and understand that we have the right to require your affirmative assent and continuing acceptance of this Authorization Agreement, from time to time, as a condition of your use of the Program. If you do not agree to be bound by this Authorization Agreement, you should not and cannot participate in the Program.

3. Appointment of Gemini as Your Agent

You hereby appoint and authorize Gemini as your agent to transfer on your behalf Digital Assets which you own and designate as available for lending by using the "Earn" function of the Program user interface, or that you otherwise transfer into our Program, and are listed as supported by the Program on Schedule B (in each case, "Available Digital Assets"), to Borrowers in accordance with the terms of this Agreement. We shall have the responsibility and authority to do or cause to be done all acts we shall determine to be desirable, necessary, or appropriate to implement and administer your authorization to lend Available Digital Assets through our Program. You acknowledge and agree that we are acting as a fully disclosed agent and not as principal in connection with the lending of your Available Digital Assets through our Program.

All lending by you through our Program will be on an unsecured basis. We will not collect or hold collateral from Borrowers, nor maintain any collateral account for your benefit.

We may, but are not required to, maintain a “liquidity reserve” on your behalf of up to thirty percent (30%) of your Available Digital Assets (“Reserve”) in order to more quickly fund your Loan callback and withdrawal requests. We may maintain a Reserve by withholding any amount of Available Digital Assets you designate for a Loan. You appoint and authorize Gemini to adjust such Reserve from time to time based on demand and activity in the Program, number of available Borrowers, or any other criteria set by us in our reasonable discretion. Available Digital Assets that we hold as your Reserve will not be provided to a Borrower in any Loan, and will not accrue Loan Fees. We will exclude any Reserve, if applicable, from the calculation or the interest rate and/or other Loan Fees presented to you at the time a Loan is made. A Reserve is not collateral and will not be reinvested on your behalf.

4. Digital Asset Loan Agreements

In order to participate in our Program, you must enter into one or more Loan Agreements with Borrowers which set forth the terms for loans of your Available Digital Assets (“Loans”). We will present you with each available Loan Agreement for your electronic signature through the Program user interface. You are ultimately responsible for your adherence to the terms of a Loan Agreement, and you should review the terms carefully before you make any Loans.

Certain terms of individual Loans, such as the Loan’s interest rate and term, may be negotiated at the time a Loan is made. You will be required to acknowledge the terms of each Loan electronically before we may disburse your Available Digital Assets to a Borrower.

5. Making Loans to Borrowers

Borrowers are your sole counterparty in our Program. You authorize us, upon your instruction through our Program user interface, to effect Loans with any Borrower with whom you have acknowledged and entered into a Loan Agreement. We shall

not be responsible for any statements, representations, warranties, or covenants made by any Borrower in connection with any Loan or for any Borrower's performance of or failure to perform the terms of any Loan under the applicable Loan Agreement or any related agreement, including the failure to return any borrowed Digital Assets to you or to make any required payments to you. We shall be responsible for determining whether any Loan shall be made, and for negotiating and establishing the terms of each such Loan within the parameters identified by you and the applicable Loan Agreement. We shall have the authority to terminate any Loan in our discretion, at any time and without prior notice to you. In the event of a default (within the meaning of the applicable Loan Agreement) by a Borrower on any Loan, we shall be entitled to exercise any rights and remedies on your behalf with respect thereto, and will be fully protected in acting in any manner it deems reasonable and appropriate. Upon notice to us, you have the right to direct us to initiate action to terminate any Loan made under this Authorization Agreement in accordance with the terms of the Loan Agreement. You acknowledge that we administer our Program for other customers of Gemini. We will allocate digital asset lending opportunities among our customers, using methods established by us from time to time. We do not represent or warrant that any amount or percentage of your Available Digital Assets will in fact be loaned to Borrowers. You acknowledge and agree that you shall have no claim against Gemini and we shall have no liability arising from, based on, or relating to, loans allocated to other customers, the terms of loans negotiated for other customers, or loan opportunities not made available to you, whether or not we have made fewer or more loans for any other customer, and whether or not any loan allocated to another customer, or loan opportunity not made available to you, could have resulted in Loans made under this Authorization Agreement. You further acknowledge and agree that, under the applicable Loan Agreements, Borrowers will not be required to return any Available Digital Assets delivered as a Loan ("Loaned Digital Assets") immediately upon receipt of notice from us terminating the applicable Loan, but instead will be required to return such Loaned

Digital Assets within such period of time following such notice as is specified in the applicable Loan Agreement, but not later than the customary settlement period.

6. Transfer of Information to Borrowers

In order to borrow your Available Digital Assets and pay Loan Fees to you, Borrowers, their affiliates or their respective service providers may require certain identifying information from you. You authorize us to share with Borrowers your Gemini account information and personally identifying information hereunder solely for the purposes of facilitating Loans and paying Loan Fees to you. This information may include, but is not limited to, your name, date of birth, and state and country of residence. Borrowers may store, access, transfer or use your personal information differently than we do. You should review each of your Borrowers' privacy policies to familiarize yourself with their terms. If you do not wish to share personally identifying information with Borrowers, you should not participate in our Program.

7. Distributions, Staking and Voting Rights with Respect to Loaned Digital Assets

Forks and Airdrops on Loaned Digital Assets and Available Digital Assets are subject to our [User Agreement](#). In the event of a Fork or Airdrop, we may terminate or call back affected Loans on your behalf. If we, in our sole discretion, determine to support a Forked Network during the term of a Loan, and the distribution of new tokens can be definitively calculated according to the distribution method, you will receive the benefit and ownership of any incremental tokens generated as a result of the Fork or Airdrop (such tokens that meet the following conditions, the "New Tokens") if the following two conditions are met:

- *Market Capitalization*: the average market capitalization of the New Token (defined as the total value of all New Tokens) on the 30th day

following the occurrence the Fork or Airdrop (calculated as a 30-day average on such date) is at least 5% of the average market capitalization of the Loaned Digital Assets (defined as the total value of the Loaned Digital Assets) (calculated as a 30-day average on such date).

- *24-Hour Trading Volume:* the average 24-hour trading volume of the New Token on the 30th day following the occurrence the Fork or Airdrop (calculated as a 30-day average on such date) is at least 1% of the average 24-hour trading volume of the Loaned Digital Assets (calculated as a 30-day average on such date).

For the above calculations, the source for the relevant data on the Digital Asset market capitalization and 24-hour trading volume will be blockchain.info (or, if blockchain.info does not provide the required information, bitinfocharts.com, and if neither provides the required information, Gemini shall mutually agree upon another data source with the Borrower).

If the above criteria are met, New Tokens will be delivered to you according to the procedures set forth in the applicable Loan Agreement. We are not responsible for notifying you of any upcoming or planned Fork, Airdrop, or any other distributions on your Loaned Digital Assets. You acknowledge that the tax treatment of any payments of distributions from a Borrower to you in substitution of receiving such distribution directly may differ, and that you are solely responsible for calculating any resulting tax liabilities.

You acknowledge that you will not be entitled to participate in any staking functionality, delegation, voting, or other governance functions with respect to Digital Assets that are transferred into our Program or have been delivered to a Borrower in connection with a Loan.

8. Loan Fees

(a) Loan Fees. Fees or other income received from a Borrower in connection with Loans ("Loan Fees") shall be regularly credited to your Program account, on a recurring basis established by us, after deducting any applicable payments to Gemini as compensation for its services under this Authorization Agreement as

set forth below. Then-current Loan Fees will be provided through the Program user interface for your review and approval before you authorize a new Loan. Unless otherwise specified by the Loan Agreement, Loan Fees will be paid in-kind, in the form of the Loaned Digital Asset. Any taxes required to be withheld at source from Loan Fees may be deducted from the amount credited to your Program account as described in this Paragraph (a), and to the extent that such amount is less than the amount of such taxes, then you shall be responsible for any shortfall.

(b) Notice of Rate Changes. Certain Loan Fees, including interest rates, may be variable and subject to change during the term of a Loan according to the Loan Agreement. As a result, your Loan Fees may increase or decrease from month to month, leading to a higher or lower rate of return on your Loaned Digital Assets. Borrowers participating in the Program will update their interest rates no more than once every thirty (30) days. We will notify you through the Program website and/or user interface of the available interest rates for each Available Digital Asset in the applicable month.

(c) Right to Debit or Set Off. We may at any time charge or debit any of your accounts maintained by or on behalf of Gemini in any capacity (or set off any amounts otherwise payable or creditable to any such account) to pay any amounts due to us under this Authorization Agreement. You acknowledge that whenever we exercise our rights under this Paragraph (b) with respect to your obligations to Gemini, we are acting in a principal capacity on our own behalf and not on your behalf.

(d) Rewards and Promotions. We may from time to time offer rewards, referral fees or promotional credits that are expressed in our Program user interface as higher Loan Fees for an Available Digital Assets ("Rewards"). Unless otherwise noted, Rewards are not offered to you by any Borrower and may be modified or terminated in our sole discretion at any time. You are responsible for any tax reporting obligation arising from Rewards credited to your Program account.

9. Agent Fees

The fees associated with our services under our Program are disclosed at <https://www.gemini.com/fees/gemini-earn-fees> ("Agent Fees"), which we will deduct from Loan Fees as described in Section 8. Agent Fees may be changed from time to time by us upon notice to you by email or through the Program user interface. By continuing to participate in our Program following such change, you acknowledge and agree to such updated Agent Fees.

10. Additional Program Terms and Conditions

General. Your participation in our Program shall at all times be subject to our [User Agreement](#). While there is currently no minimum amount of Available Digital Assets required to participate in our Program, we may, in our sole discretion, require a minimum balance in the future.

Calling Back Loans. The terms of each Loan will be set forth in the Loan Agreement with the Borrower, and your rights and obligations as a lender under these agreements may vary. However, we will require that all Borrowers agree that Loans will be callable at any time unless otherwise agreed with our customers. As a result, you may request a return, in whole or in part, of your loaned Available Digital Assets at any time.

Once you request a return of your Available Digital Assets through our Program user interface, you will generally receive these Digital Assets within five (5) business days. However, repayment terms are set forth in the Loan Agreement and the terms of your Loan Agreement may provide for a longer repayment period. While Available Digital Assets are in the process of being returned, they will not be available for trading, transfers or withdrawals. Withdrawals from our Program to external addresses are subject to additional verification by us. While withdrawals from our Program to your Gemini Account are currently free and unlimited, we

reserve the right to limit the frequency of withdrawals and/or charge an administrative fee in the future.

Borrower Capacity. We do not guarantee that a Borrower will seek a Loan for your Available Digital Assets on terms you find acceptable, or at all. If at any time the Available Digital Assets in our Program exceed Loan demand from Borrowers, lending opportunities will be allocated according to methods established by us from time to time. We may, but are not required to, maintain a waitlist if Borrower capacity is oversubscribed. A waitlist is not a guarantee that your Available Digital Assets will be Loaned to a Borrower.

Delisting; Regulatory Changes. Unless otherwise agreed between you and the Borrower, Loans are generally open-term and will continue earning Loan Fees until called back by you. However, your Loan Agreement may specify certain events that allow the Borrower to repay and terminate a Loan immediately: such as a good faith belief that holding or borrowing an Available Digital Asset could violate applicable law. Similarly, we may terminate any outstanding Loans if we determine to delist a loaned Digital Asset from our Exchange. Review your Loan Agreement(s) for details on when and how Loans may be terminated.

11. Standard of Care and Indemnification

We shall use reasonable care in the performance of our duties hereunder consistent with that exercised by custodians generally in the performance of duties arising from acting as agent for clients in asset lending transactions. You agree to indemnify us and hold us harmless from any loss or liability (including the reasonable fees and disbursements of counsel) incurred by us in rendering services hereunder or in connection with any breach of the terms of this Authorization Agreement, except such loss or liability which results from our gross negligence or willful misconduct.

Notwithstanding any express provision to the contrary herein, we shall not be liable for any indirect, consequential, incidental, special, punitive or exemplary

damages, even if we have been apprised of the likelihood of such damages occurring.

You acknowledge that in the event that your participation in our Program generates income, we may be required to withhold tax or may claim such tax from you as is appropriate in accordance with applicable law.

12. Representations and Warranties

Each party hereto represents and warrants that (a) it has and will have the legal right, power and authority to execute and deliver this Authorization Agreement, to enter into the transactions contemplated hereby, and to perform its obligations hereunder; (b) it has taken all necessary action to authorize such execution, delivery, and performance; (c) this Authorization Agreement constitutes a legal, valid, and binding obligation enforceable against it; and (d) the execution, delivery, and performance by it of this Authorization Agreement will at all times comply with all applicable laws and regulations.

You represent and warrant that (a) you are in compliance with our User Agreement, (b) you have made your own determination as to (and you acknowledge that we are making no representation or warranty as to) the tax and accounting treatment of any Loan, including any Loan Fees or other remuneration or other funds received with respect thereto; (c) you are the legal and beneficial owner of (or exercise complete discretion over) all Available Digital Assets free and clear of all liens, claims, security interests and encumbrances; and (d) all transactions you authorize through our Program are carried out for your own account and not on behalf of any other person or entity.

13. Borrower Default

We act as your authorized agent under this Authorization Agreement with respect to facilitating your Loans to Borrowers. However, your Available Digital Assets leave our custody during the term of a Loan and the applicable callback period. The loan of Available Digital Assets to a Borrower cannot be reversed by us at our own discretion or our customer's direction. We do not insure, indemnify, or otherwise guarantee the return of your Digital Assets that have been loaned to a Borrower.

Your counterparty in each Loan transaction is a Borrower, and you alone bear the risk of loss of your loaned Digital Assets principal should a Borrower default. Your remedies in the event of a Borrower default will be determined by the applicable Loan Agreement. These remedies may be limited or, in some cases, unavailable in the event of a Borrower default. We shall be entitled to exercise any rights and remedies under the Loan Agreement on your behalf, and will be fully protected in acting in any manner we deem reasonable and appropriate. If the Borrower does not return the Loaned Digital Assets, it may not be possible to recover the assets from the Borrower, and we shall have no obligation to pursue such recovery on your behalf.

14. Continuing Agreement; Termination; Remedies

It is the intention of the parties hereto that this Authorization Agreement shall constitute a continuing agreement in every respect and shall apply to each and every Loan, whether now existing or hereafter made. We may terminate this Authorization Agreement immediately if (a) we, in our sole discretion, determine to suspend or terminate our Program; (b) we, in our sole discretion, determine that you have violated any portion of our User Agreement; or (c) upon the default of you or any Borrower under the terms of an applicable Loan Agreement. Following such termination, no further Loans shall be made hereunder on your behalf, and we shall, within a reasonable time after termination of this Authorization

Agreement, terminate any and all outstanding Loans. The provisions hereof shall continue in full force and effect in all other respects until all Loans have been terminated and all obligations satisfied as herein provided.

You may also end your participation in our Program at any time by requesting a return of all of your Available Digital Assets to your Gemini Account; provided, however, that this Authorization Agreement shall continue in full force and effect.

15. Agents and Subcontractors

We may use such agents, including sub-custodians, third party custodians and our affiliates, as we deem appropriate to carry out our duties under this Authorization Agreement. Our sole liability for the acts or omissions of any agent shall be limited to liability arising from our failure to use reasonable care in the selection of such agent.

16. Force Majeure

We shall not be responsible for any losses, costs, or damages suffered by you resulting directly or indirectly from war, riot, revolution, terrorism, pandemic, acts of government or other causes beyond our reasonable control or apprehension.

17. Miscellaneous

This Authorization Agreement supersedes any other agreement between you and Gemini or any representations made by you or Gemini to each other, whether oral or in writing, concerning Loans. This Authorization Agreement shall not be assigned by you without our prior written consent. Subject to the foregoing, this Agreement shall be binding upon, and shall inure to the benefit of, the parties hereto and their respective heirs, representatives, successors, and permitted

assigns. This Authorization Agreement shall be governed and construed in accordance with the laws of The State of New York.

18. Dispute Resolution

You and Gemini agree and understand that any controversy, claim, or dispute arising out of or relating to this Authorization Agreement or your relationship with Gemini — past, present, or future — shall be settled solely and exclusively by binding arbitration held in the county in which you reside, or another mutually agreeable location, including remotely by way of video conference administered by National Arbitration and Mediation ("NAM") and conducted in English, rather than in court. You and Gemini expressly agree that any dispute about the scope of this Authorization Agreement to arbitrate and/or the arbitrability of any particular dispute shall be resolved in arbitration in accordance with this section. You and Gemini expressly agree that an arbitrator may issue all appropriate declaratory and injunctive relief necessary to ensure the arbitration of disputes (but only in favor of the individual party seeking relief and only to the extent necessary to provide relief warranted by that party's individual claim). You and Gemini agree to keep any arbitration strictly confidential.

You and Gemini agree that this arbitration provision applies not just to disputes between you and Gemini but also to (a) disputes with Gemini and any other party named or added as a co-defendant along with Gemini at any time, and (b) disputes in which a party is named as a defendant involving claim(s) arising from or related to this Authorization Agreement, even if Gemini is not named or added as a defendant. Any such co-defendant or defendant is a third-party beneficiary entitled to enforce this arbitration provision.

You and Gemini agree that the arbitrator shall have the authority to order any remedies, legal or equitable, which a party could obtain from a court of competent jurisdiction in an individual case based on the claims asserted, and nothing more.

The arbitrator shall not award punitive or exemplary damages to either party, unless such remedies would otherwise be available under applicable law.

You and Gemini agree that this arbitration provision evidences a transaction involving interstate commerce and that the Federal Arbitration Act, 9 U.S.C. s. 1 et seq. ("FAA"), will govern its interpretation and enforcement and proceedings pursuant thereto. It is the intent of the parties to be bound by the provisions of the FAA for all purposes, including, but not limited to, interpretation, implementation, enforcement, and administration of this arbitration provision, and the FAA shall preempt all state laws to the fullest extent permitted by the law.

You and Gemini agree that good-faith, informal efforts to resolve disputes often can result in a prompt, low-cost and mutually beneficial outcome. Therefore, a party who intends to seek arbitration must first send to the other a written Notice of Dispute ("Dispute Notice"). Any Dispute Notice to Gemini must be sent to support@gemini.com ("Notice Address"). Any Dispute Notice to you by Gemini will be sent to the email address registered with your Gemini Account. Any Dispute Notice must include (a) the name, address, and email address of the party providing the Dispute Notice; (b) a description of the nature and basis of the claim or dispute, including any relevant facts regarding Gemini or your use of Gemini; (c) an explanation of the specific relief sought, including the total damages sought, if any, and the basis for the damage calculations; (d) a signed statement from the party providing the Dispute Notice verifying the accuracy of the contents of the Dispute Notice; and (e) if the dispute is from you, and you have retained an attorney, a signed statement from you authorizing Gemini to disclose your account details to your attorney if necessary in resolving your claim or dispute. Any Dispute Notice from you must be individualized, meaning it can only concern your dispute and no other person's dispute. And any Dispute Notice from Gemini must be individualized, meaning it can only concern you and no other person. You also agree that, after sending a Demand Notice to Gemini, at Gemini's request you will personally participate in a discussion by telephone with Gemini to discuss whether an agreement can be reached to resolve the claim before arbitration is initiated. If

you are represented by counsel, you agree that you will personally attend the telephone conference with your counsel. Gemini also agrees to participate in such a telephone discussion at your request. Any informal dispute resolution conferences shall be individualized, such that a separate conference must be held each time either party intends to commence individual arbitration; multiple individuals initiating claims cannot participate in the same informal telephonic dispute resolution conference, unless mutually agreed to by the parties. You agree that compliance with these informal dispute resolution procedures is a condition precedent to commencing arbitration, and that the arbitrator shall dismiss any arbitration filed without fully and completely complying with these informal dispute resolution procedures.

If you and Gemini do not reach an agreement to resolve a claim within 60 days after a Demand Notice is received, you or Gemini may commence an arbitration proceeding; except that, if either you or Gemini send the other an incomplete Dispute Notice, the 60-day period begins only after a complete Dispute Notice is received, and if either you or Gemini request a telephone discussion, the 60-day period begins only after the discussion has occurred. The statute of limitations and any filing fee deadlines shall be tolled while the parties engage in these informal dispute resolution procedures.

Should any dispute proceed to arbitration, you and Gemini agree that any such arbitration shall be conducted in accordance with the prevailing NAM rules and procedures (including Comprehensive Dispute Resolution Rules and Procedures and/or the Supplemental Rules for Mass Arbitration Filings, as applicable) ("NAM Rules"), with the following exceptions to the NAM Rules if in conflict:

- The arbitration shall be conducted by one neutral arbitrator;
- Each side agrees to bear its own attorney's fees, costs, and expenses, unless such remedies would otherwise be available under applicable law, or unless the arbitrator finds that a claim, counterclaim, or defense is frivolous or brought for an improper purpose (as measured by the standards set forth in Federal Rule of Civil Procedure 11(b)); and

- All pleadings submitted in arbitration are subject to the standards set forth in Federal Rule of Civil Procedure 11, which, among other things, permits sanctions to be imposed where pleadings are submitted for an improper purpose, such as to harass, cause unnecessary delay, or needlessly increase the cost of litigation.
- The arbitrator may issue orders (including subpoenas to third parties, to the extent permitted by law) allowing the parties to conduct discovery sufficient to allow each party to prepare that party's claims and/or defenses, taking into consideration that arbitration is designed to be a speedy and efficient method for resolving disputes. For example, the arbitrator shall apply the Apex Doctrine and preclude depositions of either party's current or former high-level officers absent a showing that the officer has unique, personal knowledge of discoverable information and less burdensome discovery methods have been exhausted.

Additionally, if, at any time, 25 or more similar demands for arbitration are asserted against either party or their related parties by the same or coordinated counsel or entities ("Mass Filing"), the additional protocols set forth below shall apply:

- NAM's Mass Filing Rules shall apply if the parties' dispute is deemed by NAM, in its sole discretion pursuant to the NAM Rules and this Dispute Resolution section, to be part of a Mass Filing.
- Any Mass Filing shall be subject to a bellwether proceeding intended to reach a fair and speedy resolution of all claims included in the Mass Filing. In any Mass Filing, NAM shall select 15 demands for arbitration to proceed ("Bellwether Arbitrations"). While the Bellwether Arbitrations are adjudicated, no other demand for arbitration that is part of the Mass Filings may be filed, processed, or adjudicated, and no filing fees for such a demand for arbitration shall be due from either party to the administrator. Any applicable statute of limitations regarding such a demand for arbitration shall remain tolled beginning when the Mass Filing claimant first provided the other party with its Dispute Notice, as defined above.
- Following the resolution of the Bellwether Arbitrations, the parties shall engage in a global mediation of all remaining demands for arbitration comprising the Mass Filing. The mediation shall be administered by NAM. If the parties are unable to resolve the remaining demands for arbitration comprising the Mass Filing within 30 days following the mediation, the

remaining demands for arbitration comprising the Mass Filing shall be administered by NAM on an individual basis pursuant to the NAM Rules. You and Gemini agree to abide by all decisions and awards rendered in such proceedings and you and Gemini agree that such decisions and awards rendered by the arbitrator shall be final and conclusive, except for any appeal rights under the FAA.

To the extent you or Gemini seek emergency relief in connection with any controversy, claim, or dispute arising out of or relating to this Authorization Agreement or the breach thereof, or your relationship with Gemini, you and Gemini agree that this Authorization Agreement restricts you or Gemini from seeking emergency relief from any court, including without limitation temporary restraining orders and/or preliminary injunctions, and you and Gemini agree that, to the extent either party breaches this Authorization Agreement by seeking such relief from a court, that party shall be responsible for paying the opposing party's attorneys' fees in opposing such relief, and the arbitrator shall render an award of such attorneys' fees at the earliest possible time after such fees are incurred.

Notwithstanding the foregoing obligation to settle disputes through arbitration, you or Gemini may assert claims, if they qualify, in small claims (or an equivalent) court in New York County or any United States county where you live. However, if the claims are transferred, removed or appealed to a different court, they shall be subject to arbitration.

You and Gemini agree that you or Gemini may, without inconsistency with this arbitration provision, apply to any court for an order enforcing the arbitral award. You and Gemini irrevocably and unconditionally agree to waive any objection that you or Gemini may now or hereafter have to the laying of venue of any action or proceeding relating to enforcement of the arbitral award in the federal or state courts located in the State of New York.

You and Gemini agree that all such controversies, claims, or disputes shall be settled in this manner in lieu of any action at law or equity. In arbitration the parties waive their rights to have a jury trial.

IF FOR ANY REASON THIS ARBITRATION CLAUSE BECOMES NOT APPLICABLE OR FOR ANY OTHER REASON LITIGATION PROCEEDS IN COURT THEN THE PARTIES AGREE THAT YOU AND GEMINI:

- TO THE FULLEST EXTENT PERMITTED BY APPLICABLE LAWS AND REGULATIONS, HEREBY IRREVOCABLY WAIVE ALL RIGHT TO TRIAL BY JURY AS TO ANY ISSUE RELATING HERETO IN ANY ACTION, PROCEEDING, OR COUNTERCLAIM ARISING OUT OF OR RELATING TO THIS AUTHORIZATION AGREEMENT OR THE SERVICES THAT GEMINI PROVIDES OR ANY OTHER MATTER INVOLVING US HERETO, AND
- SUBMIT TO THE EXCLUSIVE JURISDICTION AND VENUE OF THE FEDERAL OR STATE COURTS LOCATED IN NEW YORK COUNTY, NEW YORK AND YOU AGREE NOT TO INSTITUTE ANY SUCH ACTION OR PROCEEDING IN ANY OTHER COURT IN ANY OTHER JURISDICTION.

You and Gemini agree to arbitrate solely on an individual basis, and agree and understand that this Authorization Agreement does not permit class action or private attorney general litigation or arbitration of any claims brought as a plaintiff or class member in any class or representative arbitration proceeding or litigation ("Representative and Class Action Waiver"). The arbitral or other tribunal may not consolidate more than one person or entity's claims and may not otherwise preside over any form of a representative or class proceeding. Nothing in this paragraph shall be construed to prohibit settlements on a class-wide or representative basis.

If any portion of this arbitration clause is held to be invalid or unenforceable, the remaining portions will nevertheless remain in force. In any case in which (1) the dispute is filed as a class or representative action and (2) there is a final judicial determination that all or part of the Representative and Class Action Waiver is unenforceable, the class and/or representative action to that extent must be litigated in a civil court of competent jurisdiction, but the portion of the Representative and Class Action Waiver that is enforceable shall be enforced in arbitration. Additionally, if a court determines that a public injunctive relief claim may proceed notwithstanding the Representative and Class Action Waiver, and that determination is not reversed on appeal, then the public injunctive relief claim

will be decided by a court after any individual claims are arbitrated, and the parties will ask the court to stay the public injunctive relief claim until the other claims have been finally concluded in arbitration.

You agree that this section of this Authorization Agreement has been included to rapidly and inexpensively resolve any disputes with respect to the matters described herein, and that this section shall be grounds for stay or dismissal of any court action commenced by you with respect to a dispute arising out of such matters.

This Master Digital Asset Loan Agreement (“Agreement”) is made on this [date of Lender onboarding] by and between Genesis Global Capital, LLC (“Genesis” or “Borrower”), a corporation organized and existing under the laws of Delaware with its principal place of business at 111 Town Square Place, Suite 1203, Jersey City, NJ 07310 Gemini Trust Company, LLC (“Gemini” or “Custodian”) a trust company organized and existing under the laws of the State of New York with its principal place of business at 315 Park Avenue South, 18th Floor, New York, NY 10010, acting as the authorized agent of a customer of Custodian which accepts the terms of this Agreement and direct Custodian to lend their assets hereunder (the “Lender” and, together with Genesis and Gemini, the “Parties”).

RECITALS

WHEREAS, Gemini serves as custodian of Digital Assets for Lender, and Lender have appointed Gemini as its agent to facilitate Loans of its Digital Assets;

WHEREAS, subject to the terms and conditions of this Agreement, Borrower may, from time to time, seek to initiate a transaction pursuant to which Custodian will facilitate the lending of Digital Assets on behalf of Lender to Borrower, and Borrower will pay a Loan Fee and return such Digital Assets to Lender upon the termination of the Loan; and

WHEREAS, Borrower intends to use any Loaned Assets under this Agreement in its Digital Asset lending business;

Now, therefore, in consideration of the foregoing and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Parties hereby agree as follows:

I. Definitions

“**Airdrop**” means a distribution of a new token or tokens resulting from the ownership of a preexisting token. For the purposes of Section V, an “**Applicable Airdrop**” is an Airdrop for which the distribution of new tokens can be definitively calculated according to its distribution method, such as a pro rata distribution based on the amount of the relevant Digital Asset held at a specified time. A “**Non-Applicable Airdrop**” is an Airdrop for which the distribution of new tokens cannot be definitively calculated, such as a random distribution, a distribution to every wallet of the relevant Digital Asset, or a distribution that depends on a wallet of the relevant Digital Asset meeting a threshold requirement.

“**Borrower**” means Genesis Global Capital, LLC.

“**Borrower Email**” means lend@genesiscap.co.

“**Business Day**” means a day on which Genesis is open for business, following the New York Stock Exchange calendar of holidays.

“**Call Option**” means Lender has the option to demand immediate payment of a portion or the entirety of the Loan Balance at any time, subject to this Agreement and in particular Section II(c)(ii).

“**Digital Asset**” means Digital Asset that the Borrower includes in any Offered Loan Terms, and that is available for trading on the Gemini Exchange.

“**Digital Asset Address**” means an identifier of alphanumeric characters that represents a digital identity or destination for a transfer of Digital Asset.

“**Fixed Term Loan**” means a Loan with a pre-determined Maturity Date.

“**Gemini Earn Platform**” means a service and accompanying user interface offered by Custodian whereby a Lender may authorize Custodian, as custodian of Lender’s Digital Assets, to negotiate one or more loan agreements on the Lender’s behalf for the purpose of lending certain of Lender’s Digital Assets to one or more borrowers at Lender’s direction.

“**Hard Fork**” means a permanent divergence in the blockchain (e.g., when non-upgraded nodes cannot validate blocks created by upgraded nodes that follow newer consensus rules, or an airdrop or any other event which results in the creation of a new token).

“**Loan**” means a loan of Digital Assets made pursuant to and in accordance with this Agreement.

“**Loan Balance**” means the sum of all outstanding amounts of Loaned Assets, including New Tokens, Loan Fees and Late Fees, and for a particular Loan, as defined in Section III.

“**Loaned Assets**” means any Digital Asset amount transferred in a Loan hereunder until such Digital Asset (or identical Digital Asset) is transferred back to Lender hereunder, except that, if any new or different Digital Asset is created or split by a Hard Fork or other alteration in the underlying blockchain and meets the requirements set forth in Section V of this Agreement, such new or different Digital Asset shall be deemed to become Loaned Assets in addition to the former Digital Asset for which such exchange is made. For purposes of return of Loaned Assets by Borrower or purchase or sale of Digital Currencies pursuant to Section X, such term shall include Digital Asset of the same quantity and type as the Digital Asset, as adjusted pursuant to the preceding sentence.

“**Maturity Date**” means the pre-determined future date upon which a Loan becomes due in full, whether by Term or Call Option.

“**Open Term Loan**” means a Loan without a Maturity Date where Borrower has a Prepayment Option and Lender has a Call Option.

“**Term**” means the period from the date Loaned Assets are delivered to Borrower through the date such Loan’s Loaned Assets are repaid in full.

II. General Loan Terms.

(a) Offers of Loans to Lender

Custodian will provide to Lender on the Gemini Earn Platform the current terms on which Borrower has offered to enter into Loans (the “Offered Loan Terms”), which shall be delivered by Borrower to Custodian. Offered Loan Terms may include the types of Digital Assets which the Borrower will borrow, the rates and Loan types of such Digital Assets it will borrow, and maximum amounts it will borrow from all lenders on the Gemini Earn Platform. Custodian will promptly update the Gemini Earn Platform to reflect any change in the Offered Loan Terms communicated by Borrower to Custodian. For the avoidance of doubt, no erroneous or contrary information provided by Custodian to Lender, whether on the Gemini Earn Platform or otherwise, shall obligate Borrower to enter into Loans on terms other than those specified in the Offered Loan Terms then in effect.

(b) Loan Procedure

During the Term of this Agreement, on any Business Day Lender may direct Custodian, via the Gemini Earn Platform to notify Borrower on its behalf for each Digital Asset and Loan type listed in the applicable Offered Loan Terms whether it will lend additional Digital Assets at the current Loan Fee or whether it requests a return of Digital Assets (if applicable). For any Digital Assets Lender will lend, it shall deliver such Digital Assets according to the time and manner specified, and to a Digital Asset Address provided by, Custodian. For any Digital Assets Lender requests to be returned, Borrower shall return such Digital Assets within three Business Days to a Digital Asset Address provided by Custodian. Upon receipt of the Loaned Assets, Custodian shall include a record of the Loan, including all the terms of the Loan, in a log of all Lender’s Loans accessible to Lender and Borrower.

(c) Loan Repayment Procedure

Loans will be Open Term Loans unless otherwise specified. For Open Term Loans, the Loaned Assets shall be repaid to a Digital Asset Address provided by Custodian within three Business Days after the request by Lender pursuant to Section II(b) above. For Fixed Term Loans, the Loaned Assets shall be repaid to a Digital Asset Address provided by Custodian at the time indicated in the Offered Loan Terms, unless Borrower and Lender agree to extend the Fixed Term Loan for another Fixed Term Loan under the then-current Offered Loan Terms, or an Open Term Loan. If Custodian has not provided to Borrower a Digital Asset Address for receiving the repayment of a Loan by 5:00 p.m. New York time on the day prior to the earlier of the Maturity Date or the Recall Delivery Day (defined below), then such Loan will become an Open Term Loan on said Maturity Date or Recall Delivery Day, whichever applicable, and no additional Loan Fees shall be accrued after the Maturity Date or the Recall Delivery Day.

Custodian shall notify Borrower to the extent Custodian determines in its sole discretion that it shall no longer support custody, trading or ancillary services for a particular Digital Asset. The date of such notice will be deemed the Recall Request Day for any Loan Balance comprised of such Digital Assets.

(d) Termination of Loan

A Loan will terminate upon the earlier of:

- (i) the Maturity Date;
- (ii) for an Open Term Loan, the repayment of the Loan Balance by Borrower prior to the Maturity Date;
- (iii) the occurrence of an Event of Default as defined in Section VIII; however, Lender, or Custodian on behalf of Lender, shall have the right in its sole discretion to suspend the termination of a Loan under this subsection (iii) and reinstitute the Loan. In the event of reinstitution of the Loan pursuant to the preceding sentence, Lender does not waive its right to terminate the Loan hereunder; or
- (iv) in the event any or all of the Loaned Assets becomes in Borrower's sole discretion a risk of being: (1) considered a security, swap, derivative, or other similarly-regulated financial instrument or asset by any regulatory authority, whether governmental, industrial, or otherwise, or by any court of law or dispute resolution organization, arbitrator, or mediator; or (2) subject to future regulation materially impacting this Agreement, the Loan, or Borrower's business.

Nothing in the forgoing shall cause, limit, or otherwise affect the Term and termination of this Agreement except as specified in Section XXIV.

In the event of a termination of a Loan, any Loaned Assets shall be redelivered immediately to a Digital Asset Address provided by Custodian and any fees or owed shall be payable by Borrower immediately to a Digital Asset Address provided by Custodian. In the event of a termination of a Loan pursuant to Section II(d)(iv), Borrower shall pay an additional Loan Fee until (i) the end of the then-current monthly loan period or (ii) the Maturity Date of such Loan (whichever is shorter) at the then-current interest rate on the amount of the Loan terminated.

(e) Redelivery in an Illiquid Market

If Gemini and each of the three other highest-volume Digital Asset exchanges that report prices for the applicable Digital Asset (as measured by the 30-day average daily trading volume of the applicable Digital Asset on the Loan Date) (these such exchanges, the "Liquidity Exchanges") cease or suspend trading as of in the Loaned Assets on the Maturity Date or the Recall Delivery Day, whichever applicable, Borrower and Custodian will engage in good faith negotiations to reach agreement on a substitute form of repayment for the affected loans or to otherwise temporarily suspend the requirement for Borrower to return the Loaned Assets, and such negotiation shall be binding on Lender.

III. Loan Fees and Transaction Fees.

(a) Loan Fee

Unless otherwise agreed, Borrower agrees to pay Lender a financing fee on each Loan (the “Loan Fee”). When a Loan is executed, the Borrower will be responsible to pay the Loan Fee as set forth in the Offered Loan Terms. Except as Borrower and Lender may otherwise agree, Loan Fees shall accrue from and include the date on which the Loaned Assets are transferred to Borrower to the date on which such Loaned Assets are repaid in their entirety to Lender.

Unless otherwise specified in the Offered Loan Terms, (i) Loan Fees shall be based on a monthly interest rate, which may be updated on the first day of each calendar month upon at least five (5) days advance notice by Borrower to Custodian; (ii) no minimum amount of Loaned Assets shall be required for a Loan to accrue a Loan Fee; (iii) Loan Fees shall be calculated using the “daily balance method”, meaning the applicable monthly interest rate shall be applied to the principal and interest that has accrued on the Loaned Assets each day; (iv) Loan Fees shall at all times be greater than 0% APY; and (v) Loan Fees shall be paid monthly by Borrower to a Digital Asset Address provided by Custodian as agent for Lender. Upon receipt, Custodian shall be solely responsible for paying Loan Fees to Lenders, and Lender will have no recourse to Borrower for such Loan Fees.

Borrower shall calculate any Loan Fees (which may be aggregated across all outstanding Loans from Lender) owed on a daily basis and provide Custodian with the calculation, and information relied upon to support the calculation, upon request. The Loan Fee will be calculated off all outstanding portions of the Loaned Assets. If Custodian believes any Loan Fee was calculated in error, Custodian shall present its own Loan Fee calculation and the Borrower and Custodian shall cooperate in good faith to decide a mutually agreeable calculation. The calculation of any Loan Fees accepted by Custodian shall be final and binding upon Lender.

(b) Late Fee

For each Calendar Day in excess of the Maturity Date or the Recall Delivery Day (whichever is applicable) in which Borrower has not returned the entirety of the Loaned Assets or failed to timely pay any outstanding Loan Fee in accordance with Section III(c), Borrower shall incur an additional fee (the “Late Fee”) of a 1% (annualized, calculated daily) on all outstanding portions of the Loaned Assets.

(c) Payment of Loan Fees and Late Fees

Unless otherwise agreed, any accrued but unpaid Loan Fee or Late Fees payable hereunder shall be paid by Borrower upon the earlier of (i) promptly following the end of the calendar month in which the Loan was outstanding, but in any even no later than three (3) Business Days after the end of such month or (ii) the termination of all Loans hereunder (the “Payment Due Date”). The Loan Fee and Late Fees shall be payable, unless otherwise agreed by the Borrower and Lender in writing, in the same Loaned Assets that were borrowed, on the same blockchain and of the same type that was loaned by the Lender during the Loan.

IV. Hard Fork

(a) No Immediate Termination of Loans Due to Hard Fork

In the event of a Hard Fork in the blockchain for any Loaned Assets or an Airdrop, any outstanding Loans will not be automatically terminated. Borrower and Custodian, in behalf of Lender, may agree, regardless of Loan type, either (i) to terminate a Loan without any penalties on an agreed upon date or (ii) for Custodian to manage the Hard Fork on the behalf of Borrower. Nothing herein shall relieve, waive, or otherwise satisfy Borrower's obligations hereunder, including without limitation, the return of the Loaned Assets at the termination of the Loan and payment of accrued Loan Fees, which includes the per diem amounts for days on which Borrower transfers Digital Asset to Custodian and Custodian transfers said Digital Asset back to Borrower pursuant to this section.

(b) Lender's Right to New Tokens

Lender will receive the benefit and ownership of any incremental tokens generated as a result of a Hard Fork in the Digital Asset protocol or an Applicable Airdrop (such tokens that meet the following conditions, the "New Tokens") if the following two conditions are met:

- *Market Capitalization*: the average market capitalization of the New Token (defined as the total value of all New Tokens) on the 30th day following the occurrence the Hard Fork or Applicable Airdrop (calculated as a 30-day average on such date) is at least 5% of the average market capitalization of the Loaned Assets (defined as the total value of the Loaned Assets) (calculated as a 30-day average on such date).
- *24-Hour Trading Volume*: the average 24-hour trading volume of the New Token on the 30th day following the occurrence the Hard Fork or Applicable Airdrop (calculated as a 30-day average on such date) is at least 1% of the average 24-hour trading volume of the Loaned Assets (calculated as a 30-day average on such date).

For the above calculations, the source for the relevant data on the Digital Asset market capitalization and 24-Hour trading volume will be blockchain.info (or, if blockchain.info does not provide the required information, bitinfocharts.com, and if neither provides the required information, the parties shall discuss in good faith to mutually agree upon another data source).

If the Hard Fork or Applicable Airdrop meets the criteria above, Borrower will have up to 60 days from the Hard Fork or Applicable Airdrop to transfer the New Tokens to Lender. If sending the New Tokens to Lender is burdensome in Borrower's reasonable discretion, Borrower can reimburse Lender for the value of the New Tokens by either (i) a one-time payment in the same Loaned Assets transferred as a part of the Loan reflecting the amount of the New Tokens owed using the spot rate reasonably selected by Borrower at the time of repayment, or (ii) returning the borrowed Digital Asset so that Lender can manage the split of the underlying digital tokens as described in Section IV(b) above. Alternatively, subject to Lender's written agreement, the parties may agree to other methods of making Lender whole for Borrower's failure to transfer New Tokens to Lender. For the avoidance of doubt, if Borrower returns a Loan to Lender prior to the 30th day following a Hard Fork, Borrower's obligations under this

Section V shall continue for any New Tokens that meet the criteria in this subsection (b) for such Loan on the 30th day following the Hard Fork. Lender's rights to New Tokens as set forth in this Section shall survive the termination of the relevant Loan, return of the Loaned Assets, and termination of this Agreement.

XX. No Waiver.

The failure of or delay by either Party to enforce an obligation or exercise a right or remedy under any provision of this Agreement or to exercise any election in this Agreement shall not be construed as a waiver of such provision, and the waiver of a particular obligation in one circumstance will not prevent such Party from subsequently requiring compliance with the obligation or exercising the right or remedy in the future.  - (e) Agent will assist Borrower in obtaining from Principal such information regarding Principal as Borrower may reasonably request; provided, however, that Agent shall not have any obligation to provide Borrower with confidential information regarding Principal.
2. **Identification of Principal.** Agent agrees to provide Borrower, prior to any Loan under the Agreement, with the ability to access the name of the specific Principal for which it will act as Agent under the Agreement. If Agent fails to provide access to the identify of such Principal prior to any Loan under the Agreement,, or Borrower shall determine in its reasonable discretion that any Principal identified by Agent is not acceptable to it, Borrower may reject and rescind any Loan with such Principal, return to Agent any Loaned Assets previously transferred to Borrower and refuse any further performance under such Loan;

provided, however, that (A) Borrower shall promptly (and in any event within one Business Day of notice of the specific Principal) notify Agent of its determination to reject and rescind such Loan and (B) to the extent that any performance was rendered by Lender under any Loan rejected by Borrower, Lender shall remain entitled to any fees or other amounts that would have been payable to it with respect to such performance if such Loan had not been rejected.

3. **Netting of Deliveries.** On each Business Day, at such times and in such manner as may be mutually agreed by Agent and Borrower, Agent will sum together the aggregate amount of each Digital Asset to be delivered to Borrower, and subtract therefrom the aggregate amount of such Digital Asset to be delivered by Borrower to Agent, in each case on behalf of Agent's Principals in accordance with the Agreement (the "**Net Settlement Amount**"). If the Net Settlement Amount for a Digital Asset is: (i) positive, Agent will deliver the Net Settlement Amount of such Digital Asset to Borrower or, (ii) negative, Borrower will deliver the Net Settlement Amount to Agent, in each case in accordance with the Agreement. Upon delivery of the Net Settlement Amount, Borrower and each Principal shall be fully discharged from liability for the obligations, if any, corresponding to such Net Settlement Amount and Agent shall be solely responsible and liable for delivering to each Principal the amount of such Digital Asset to which such Principal is entitled to under the Agreement.
4. **Limitation of Agent's Liability.** The Parties expressly acknowledge that if the representations and warranties of Agent under the Agreement, including this Exhibit, are true and correct in all material respects during the term of any Loan and Agent otherwise complies with the provisions of this Exhibit, then:
 - (a) Agent's obligations under the Agreement shall not include a guarantee of performance by its Principal;
 - (b) Borrower's remedies shall not include a right of setoff against obligations, if any, of Agent arising in other transactions in which Agent is acting as principal; and
 - (c) Following an Event of Default by Borrower, the Principal to the Loan(s) subject to such Event of Default may proceed directly as Lender against Borrower and not be obligated to join Agent or any other Principal as a condition precedent to initiating such proceeding.

4. Interpretation of Terms. All references to "Lender" or "Borrower," as the case may be, in the Agreement shall, subject to the provisions of this Exhibit (including, among other provisions, the limitations on Agent's liability in Section 3 of this Exhibit), be construed to reflect that (i) Principal shall have, in connection with any Loan or Loans entered into by Agent on its behalf, the rights, responsibilities, privileges and obligations of a "Lender" directly entering into such Loan or Loans with Borrower under the Agreement, and (ii) Principal has designated Agent as its sole agent for performance of Lender's obligations to Borrower and for receipt of performance by Borrower of its obligations to Lender in connection with any Loan or Loans under the Agreement (including, among other things, as Agent for Principal in connection with transfers of Loaned Assets and as agent for giving and receiving all notices under the Agreement). Both Agent and its Principal shall be deemed "Parties" to the Agreement and all

references to a “Party” or “either Party” in the Agreement shall be deemed revised accordingly (and any Default by Agent under the Agreement shall be deemed a Default by Lender).

Subject: Notice - Settlement Agreement Between Genesis and Gemini

Hi [NAME],

We are writing to provide you with an update and required notice. Today, Genesis asked the Bankruptcy Court to approve the “settlement in principle” announced on February 28, 2024, which provides for a global settlement with Genesis and other creditors in the Genesis Bankruptcy that will, if approved by the Bankruptcy Court, result in **all Earn users receiving 100% of their digital assets back in kind in the near term and then the as recoveries are received from Digital Currency Group, Inc. (DCG).**

This notice marks the start of the required Bankruptcy Court approval process necessary for the “settlement in principle” to become effective. **No action is required on your part to benefit from the terms of the settlement.**

As a reminder, this settlement means, for example, that if you had lent one bitcoin in the Earn program (as of November 16, 2022 — the date Genesis suspended redemptions), you will receive one bitcoin back. And it means that **you will receive any and all appreciation of your assets since you lent them into the Earn program.** If approved, we will be returning over \$2 billion in value (at today’s prices) — \$900 million more than when Genesis halted withdrawals.

You can find Genesis’s Motion to Approve the Settlement [here \[link to PDF\]](#), and you can also find Gemini’s Statement in Support of the Settlement [here \[link to PDF\]](#). The settlement itself is Exhibit B to the Motion and starts on page 49 of the Motion PDF.

This required notice is intended to provide you with information regarding the settlement, your recoveries under it, and your right to object to the settlement. Unless you object to the settlement you will be legally bound to its terms pursuant to the Proposed Order attached as Exhibit A to the Motion, which include:

- **Gemini distribution authorization.** The settlement authorizes Gemini to expedite the delivery of your digital assets in kind upon the effectiveness of the settlement. Per the settlement, the return of your digital assets will not be dependent on the outcome or timing of the Genesis Bankruptcy Plan.
- **Initial distribution amount and timeline.** The settlement provides that the initial distributions to you will be approximately 97% of the digital assets owed to you as of the suspension date (November 16, 2022) and that they will occur within a few weeks of the Bankruptcy Court approving the settlement. Your remaining asset balance will be credited in kind to you as recoveries are received from DCG. As part of this settlement Gemini is contributing \$50 million to Earn users’ recoveries, inclusive of the \$40 million referenced in the February 28, 2024 [Earn update](#).

- **Adversary proceeding.** The settlement also resolves the Initial Collateral and Additional Collateral Adversary Proceeding (see February 9, 2024, November 22, and October 27, 2023 updates on the Earn page) and resolves the preference claims against Earn Users. The settlement provides that Genesis waives all preference claims and causes of action against all Earn users.

The Motion here [link to PDF] contains additional information on the terms of the settlement. We encourage you to read the settlement carefully.

Again, no action is required on your part unless you object to the settlement. In that case, objections are due by April 9, 2024 at 4 and must comply with the instructions in the Notice of Motion here [link to PDF]. Creditors who send the Bankruptcy Court an objection that is not signed by an attorney and is not filed on the Bankruptcy Court's docket must comply with the requirements set forth in the Notice of Protocol for Written Communications to the Bankruptcy Court by Creditors, as outlined on page 2 of the Notice of Motion (see December 29, 2023 update on the [Earn update page](#)).

The Bankruptcy Court will consider approval of the settlement at a hearing scheduled for April 16, 2024 at 11. Details for attending the hearing will be posted to the Earn page once they are made available. The settlement will not become effective until it has been approved by the Bankruptcy Court.

As a reminder, you can view the assets that will be returned to you if the settlement is approved by logging into your Gemini account through the Gemini website or the Gemini mobile app and clicking on "pending balance." The settlement provides that all of your assets listed in the "pending balances" will be restored in kind, with approximately 97% being distributed initially and the remainder in full, upon receipt of recoveries from DCG.

Further updates regarding timelines will continue to be posted to the [Earn update page](#) as they become available.

We truly appreciate your patience and support while we continue to advance this process to conclusion.
